THE AMERICAN 1983

June 14, 1983

Paula,

This is it. We are graduating tonight and then tomorrow we'll be the Class of 1983 alumni! I still can't believe we'll be leaving. It's been a great senior year. Remember how much fun we had in Jordan? You were very smart to get out when you did. You saved yourself some massive headaches! I'm glad we got to have a class together. You are such a good friend. Have a super-fantastic summer and don't work too hard at Lucky's. I wish you all the best in your future what ever you do! Good luck and see ya at the reunions.

Friends Always,

Barbara

THE AMERICAN 1983

To Paula
It was nice to
know you for this year in 83'
& hope you have a great summer
and the future be the best to you.
This summer is going to be Santa Cruz every
day and parties every other week well & can't think
of anything else to say but thanks for being the
friend you were. Hope you succeed in life, and remember this that
John D. is a Mugwump. your friend.

SENIORS 16 — CLASSES 80 — ACTIVITIES 132 — SPORTS 190 — FACULTY 242 — CLOSING 278

Paula,

Well, the long, overdue Packet is finally done. I'm glad that this accounts year is finally over. The agony of Mr. Zimmerman's fun as he calls it. The graduation is finally upon us. The celebration is near and onto college we go. The invitation to the beach is still up. Last Friday when we had the mis-communication about where to meet. I owe you a ride to Santa Cruz. Even though Zimmerman got reduced at times. I still think that he ruled our table. We always seemed to get rolled up and stuffed quickly about. We settled us down and got the right answer across to us. (as it is on my mind, Jeff always wants to be perfect and usually gets behind which he is now. In a real serious note, The best luck to where ever you go even if it is to Australia (Probably spelled wrong). I'm glad I met you we will probably meet over the summer at vacation or another. Another thing come to the mind, That Lucky's character. Please get him fired or set a little position than him. So you can get bossing around on him. Make it simple, send Chuck, and I down there or we will play with his mind a little.

Your friend,
John Dever

P.S. Keep this a secret Jeff is never going to find its packet on Monday. If he does I will probably go crazy. Jeff never finishes this on time. If Jeff does finish I will awarded with a bet on the game.

I'm really sorry we didn't have a better chance to get to know each other, but you're super sweet. See ya at the Sizzler!

Love ya,
Laura
Graciano

To Vienna –

I am so glad we got to be friends this year!! O.C.B.S. and Spanish 3 have been fun, especially teasing Bill all the time. Davis and the dialogues were the highlights of the Club & Sp. 3. I am going to miss you alot next year. I'll try to come and visit, and you let me know when O.C.B.S. is coming to Davis next year, OK? Congrats on making mascot – I know you'll be great at it. Well, take care of yourself this summer, and good luck next years – you'll be a SENIOR! See ya!

Love,
Linda Plisch (946-6361)

Class of '83!!

MASCOTS #1

Hi Vienna!

How are you doing? I hope you're okay?! So we had so much fun this year, huh? (Help, we're being kidnapped!!) We really had a blast last year!! I'm really glad I got to know you this year – thanks to Spanish class, to OCBS and to U.S. History. I'm glad to have known such a sweet, pretty and vivacious young girl as you. I hope to have more fun next with you. Well, never change, Vienna and I hope to see your smiling face next year!!! TAKE CARE!

And see you

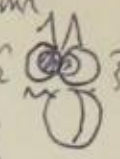
Dear Vienna:

I'm happy that we met this year and hope to see you next year.



your friend, Joe Bond

Dear Vienna,

I would like to thank you for all the friendship & love that you have given me. I have had a time putting all my feelings into words but all I can do is look back upon a fantastic year and how you made it great. Your smile really made my year. Thanks again,

Love

Excitement . . . the thrill of **victory,** the *pride* of **winning,** the **struggle** of a *challenge,* or looking forward to an upcoming event.

The Seniors of 1983 have chosen to dedicate this to two deserving persons who have dedicated their lives to young people. Not only have they been a friend of ours but to countless other seniors in their years of teaching education. For five years they have been and still are a terrific team, working together as the senior class advisors.

Each year is filled with many activities, such as fundraisers, picnics and the Senior Ball, and this year is no exception. These would have not been successful without the guidance and direction of two such people. Many take people like them for granted, but we seniors recognize the early morning meetings, missed lunches, late evenings and donated Saturdays that they have sacrificed for us.

Truly they are dedicated to young people, but their families are their first priority. Besides being the senior class advisor, he is also a counselor and the coordinator for work experience of the whole school. He has been married for twelve years to his wife Trudy and they have two sons, Jimmy, 10 and Stevie, 8. He also coaches his son's championship soccer team. In addition to being a great family man, he is a very understanding, friendly and caring person who is always there for students. She is a foreign language teacher and advisor for the newspaper staff besides her involvement with the senior class. She and her husband Kelley have two daughters, Alexis, 6 and Cipriana, 3. Her family is her pride and so are her students to whom she is always willing to lend a helping hand.

We acknowledge these two people and would like them to know that they are loved and appreciated for all they have done for our class and the school.

To Mr. Jim La France and Mrs. Helen Williams,
— a special thank you from the Class of '83!

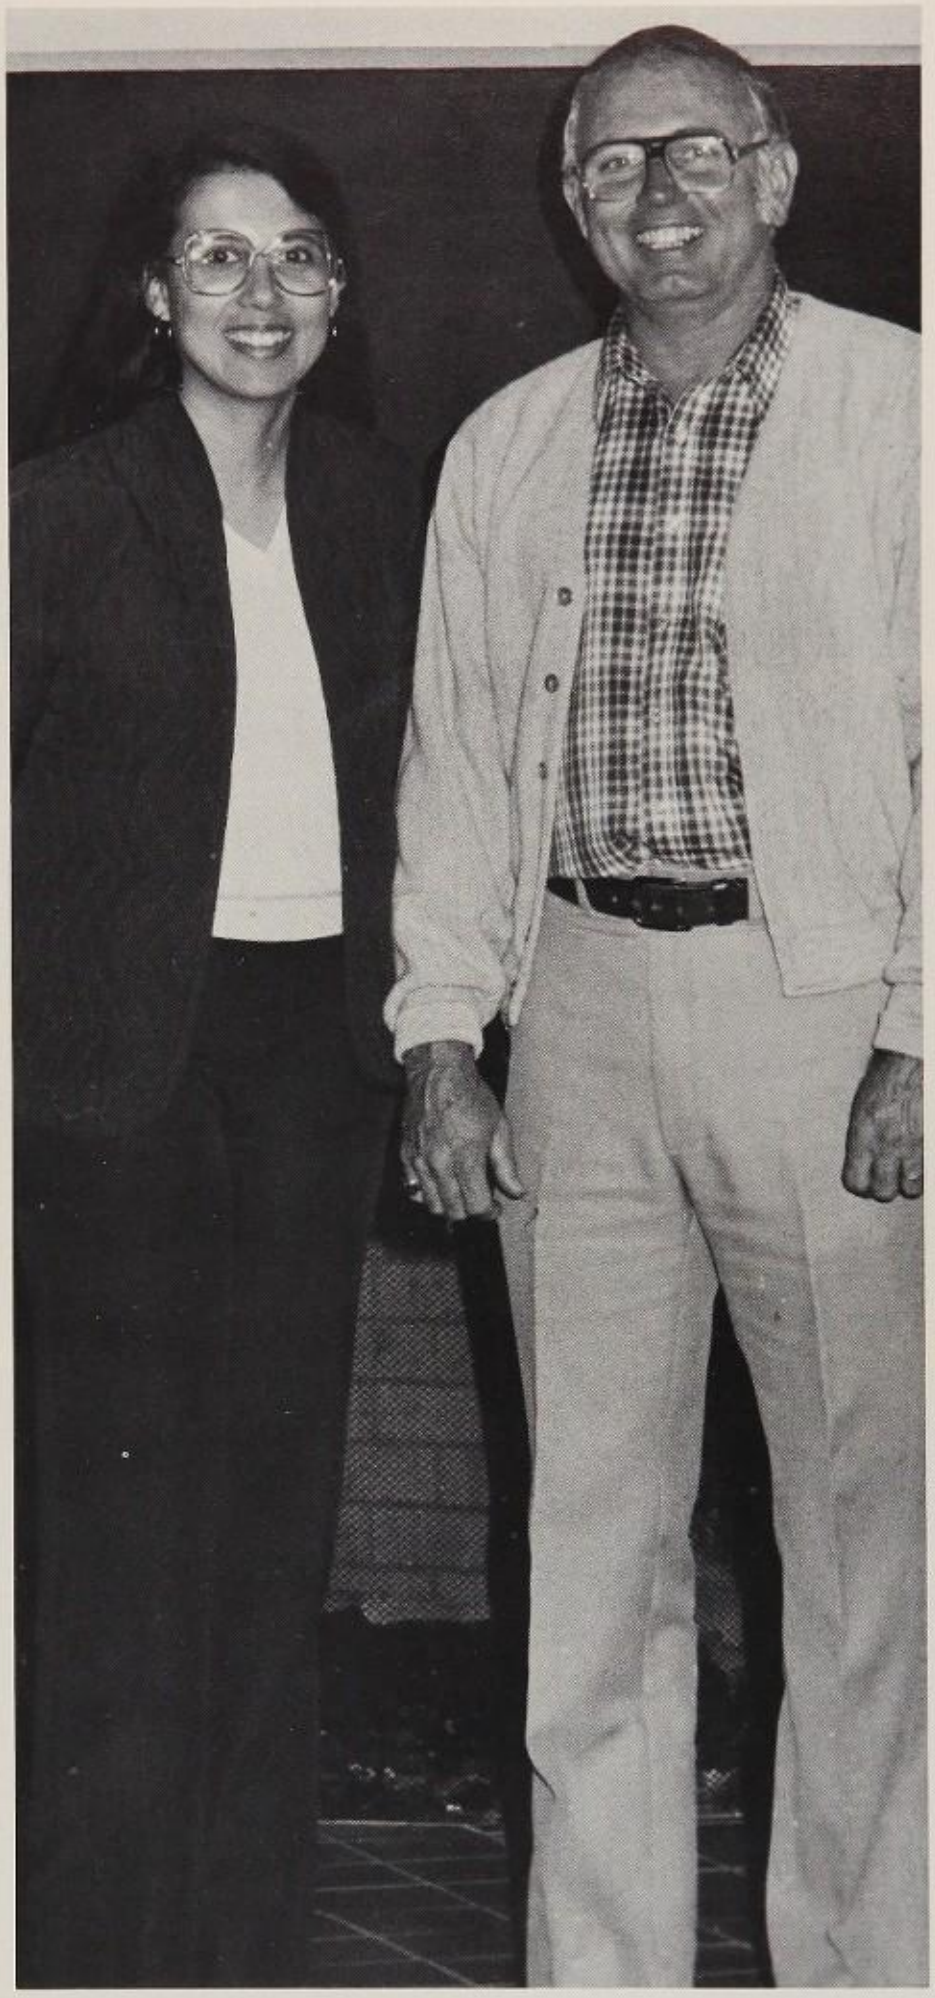
I love you Nana, Mom and Dad. Cavalry Band 80-83. B.C., M.L. — FWOMPA, FWOMPA. Hey Miguel Let's discover a pearl together! I love you M.G.



The Seniors of 1983 have chosen to dedicate this to two deserving persons who have dedicated their lives to young people. Not only have they been a friend of ours but to countless other seniors in their years of teaching education. For five years they have been and still are a terrific team, working together as the senior class advisors.

Each year is filled with many activities, such as fundraisers, picnics and the Senior Ball, and this year is no exception. These would have not been successful without the guidance and direction of two such people. Many take people like them for granted, but we seniors recognize the early morning meetings, missed lunches, late evenings and donated Saturdays that they have sacrificed for us.

Truly they are dedicated to young people, but their families are their first priority. Besides being the senior class advisor, he is also a counselor and the coordinator for work experience of the whole school. He has been married for twelve years to his wife Trudy and they have two sons, Jimmy, 10 and Stevie, 8. He also coaches his son's championship soccer team. In addition to being a great family man, he is a very understanding, friendly and caring person who is always there for students. She is a foreign language teacher and advisor for the newspaper staff besides her involvement with the senior class. She and her husband Kelley have two daughters, Alexis, 6 and Cipriana, 3. Her family is her pride and so are her students to whom she is always willing to lend a helping hand.

We acknowledge these two people and would like them to know that they are loved and appreciated for all they have done for our class and the school.

To Mr. Jim La France and Mrs. Helen Williams,
— a special thank you from the Class of '83!

Year after year there are new buds beginning to grow and become mature. Seniors from high school are ready to play the role like the buds. The future is approaching closer and closer. At this time the seniors are considered as adults. After graduation they will scatter all over the place in our country to search for their futures.

Nga Nguyen
A year seems much too short to spend with all the good freinc I'm very sad to think of leaving Independence. Anyway, I really e joyed and love it — the best year ever!

Quan Nguyen
I want to thank all my teachers who have made my education he very enjoyable.

My three years at IHS have been great. Thanks Mom and Dad! Love ya NH and LP. Good luck friends at IHS!! Vogue rules! Liberty #1.

Linda D. Hayes
The four years I've been at I.H.S. were the best; the most fun times I had were when I was a freshman. Now I'm a senior working my way to graduate and I hope I make it. PS Nona, I hope you have a happy senior year. Stay cool.

Joe Hermann
I hope everyone at this school is the generation that pioneers and puts out the positive energy that helps mankind survive. Fish forever?

Brenda Herrick
Four great years at IHS. Congratulations class of '83. "Rock rules" V.W. Bug — Red, Hot and Horny. Always in my heart is a place for *"Randy Hughes."*

I hated the Vietnamese meetings in my last 3 years. I'm glad it's over for me in high school.

Khoa Nguyen
I don't like being a senior very much because I am no longer going to be a student in high school. I love high school, there are a lot of funny things in high school.

Lan Nguyen
All my love to M.B. Hey L.D., K.S., E.L., M.B., L.L., thanks for always being there. Keep in touch — T.H., J.N., B.M. Thuanm who's stressed now? '83 #1!

Long Nguyen
Year after year there are new buds beginning to grow and become mature. Seniors from high school are ready to play the role like the buds. The future is approaching closer and closer. At this time the seniors are considered as adults. After graduation they will scatter all over the place in our country to search for their futures.

Nga Nguyen
A year seems much too short to spend with all the good freinds. I'm very sad to think of leaving Independence. Anyway, I really enjoyed and love it — the best year ever!

Quan Nguyen
I want to thank all my teachers who have made my education here very enjoyable.

Spirit Week has long been a tradition of **Independence,** designed to unite the school in a special way to make ready for homecoming. This year, **Spirit Week** went as follows:

Monday — Hat and T-shirt day
Tuesday — Class day
- Freshmen — little boys and girls
- Sophomores — 50's and 60's
- Juniors — Western

This year marked the *first time* our own **IHS** stadium was used for our homecoming. The entire stadium was filled to capacity and the crowed was filled with energy. Toilet paper streamers and confetti were seen flying through air all through the game. Our own IHS band played and our last year's cheerleaders came back to cheer our team on to **victory!** We had a totally awesome float.

Our homecoming rally was one of the most e
thusiastic in IHS's history. The Varsity M.H.A.
football team and the Homecoming King an
Queen nominees were announced and we ha
some "small visitors" . . . da da da daaaaaa da d
daaaa da da daaaaa da da . . . (right Dee-Dee?
We also had our first *Homecoming Dance* whic
was quite successful.

1982-1983 was a *banner* year for the **ssociated Student body** activities at IHS. The arious elements of government (Executive Coun-, Villa Advisories, Student Council, sports ams and clubs) blended together to form a nified, spirited campus for the **76'ers.** Most of r men's and women's teams won the MHAL d placed in the CCS playoffs. The hard work by irit Squad, led by Ms. Joanne DeLaRosa and s. Laura Quinn, won awards at Spirit Camp and d an excellent job with Spirit Week, the Hallo- een Contest and the Sadie Hawkins Dance. Our st Homecoming Dance was a huge success, as well as the county-wide, award-winning intramural program sponsored by Mr. Gene Gagliardi.

Assemblies and rallies at **Independence** are the best anywhere, and this year's efforts were outstanding. In December, at the Jack Emery Assembly, we collected a record total of *35,000* cans of food for the poor and the elderly. Mr. Welch's Leadership Class gave an outstanding luncheon for the senior citizens from the San Jose Food Bank Program. We now have 85,000 cans of food collected and donated by our ASB in the last four years.

March saw the presentation of the Multicultural Assembly, demonstrating our United Nations flavor through dance, music, costumes, and food. Guests at various spirit rallies and assemblies included the Mayor of San Jose, Tom McEnery, the San Jose City Council members, the East Side Union High School District's Board of Education members, our Superintendent, Dr. Harry Reynolds, the rock band "Atom," Mr. Teenage San Jose Jay Megerson, Big Bird McDonnough, and the 4-H Program of Morgan Hill.

Thanks to our Student government advisors and officers for their hard work and **energy.**

Have the sounds of Beethoven's Symphony fted to you during one of those long, boring ss periods? That was none other than **IHS's** n string orchestra, conducted by *Mr. Bob* ssell.

Many musicians auditioned, but only the best re chosen. The orchestra displayed its excellence at the CMEA (California Music Educators of America) Festival and toured to Southern California to play at Disneyland (with the jazz choir) and Sea World. Many students, teachers, and parents attended these fantastic performances. Hope you didn't miss catching a glimpse of America's future Mozarts.

The **Winter Sports Rally** turned out to be a *great success* this year. It not only brought forth a great deal of enthusiasm from the students, but a lot of spirit for the teams. Many of the teams demonstrated their skills and showed how they worked together as a team to be number one!

Another highlight of the rally was a *live rock 'n' roll band*, the **'ATOM,'** who performed a few songs for **IHS.**

The **Winter Sports Rally** turned out to be one of the best assemblies of the school year.

Vibrant voices, electric dancers, and melodious musicians, describe numerous actors and actresses who displayed their talents at this year's theatrical performance of **HELLO DOLLY.** The combined efforts of the musical comedy production troupe provided the backbone for this *successful* stage production.

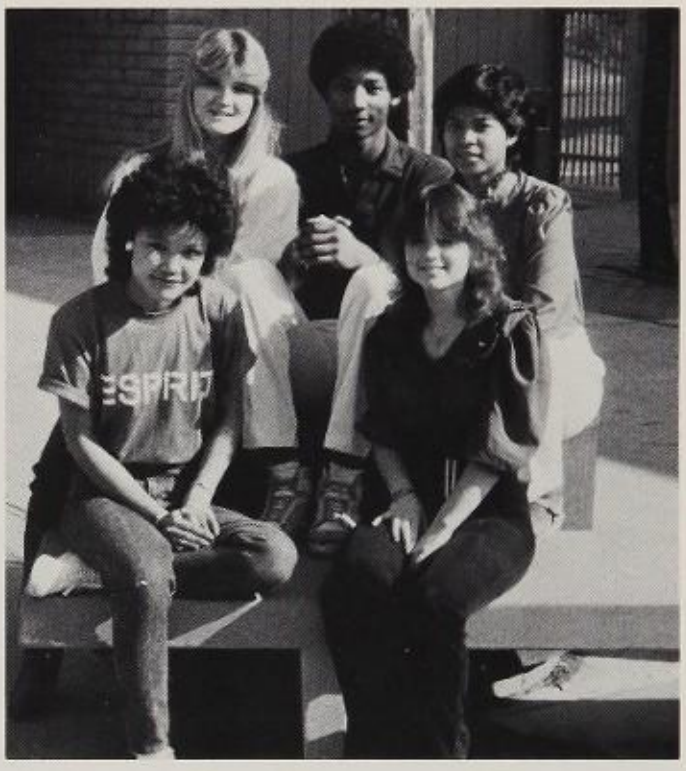
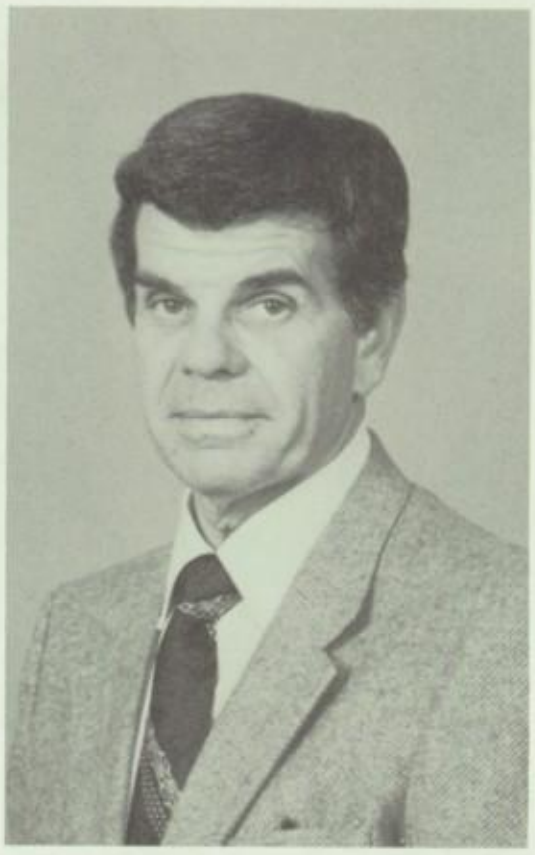
Outstanding performances were enhanced by the echnical crew who created and designed sets and pecial effects. Matchmaking and merriment vrapped up the run of six performances from this *ncredible* ensemble of actors, musicians, and echnicians.

The Dance Troop expresses its fame for dancing through *Dance Expressions*. The **Dance Troupe** is composed of talented students who are chosen from strenuous and competitive auditions. Along with being gifted in the art of dancing, these performers obtain a strong desire to master their love for dancing. The **Dance Troup** has proven its highly developed abilities in balle jazz, and modern dance through inspiring pe formances at the California State Music Educato Conference and at the District Office.





The **Jazz Choir** is another aspect of the *excellent* VPA program on our campus. The group, directed by *Mr. Robert Russell*, has gone on a tour of Southern California high schools, Disneyland and Seaworld. Also, they have performed at local service clubs and participated in the International Jazz Festival in Reno, Nevada and for local television stations. According to Mr. Russell, "These 25 young musicians represents some of the best vocal talent on our campus. They are dedicated and committed to musical excellence in the jazz idiom."

1982's Chrismas vacation was kicked off by the annual **Winter Carnival.** All of **IHS's** groups and clubs shouted their wares from their booths amidst the noise and semi-disorder. Appetizing smells drifted through the school, drawing dozens of students, teachers, and others.

Displays of food and other nifty gadgets caught the attention of many 76'ers. Already in th Christmas spirit, very few did not spend money The **1982 Winter Carnival** was a great succes and probably the best **IHS** has ever held. What *fantastic* way to end the month of December!

Paula,

I just want you to know that you have the most beatiful eyes that I have ever seen. Its been great knowing you with your funny personality. I hope to see you in the future (maybe in the movies). I hope your life in the future leads you to many wonderful experiences. Keep smiling

Dan Walter

Independence is proof that there is *strength in numbers.* This year **35,000 cans were collected by the K.H.S.** student body. **The Jack Emery Drive** that was held in I.H.S. gym received television coverage and visits from **Mayor McHenry** and other political dignitaries.

"We've collected **85,000** cans in four years. W donated **16,500 pounds of** food to senior citize and the equivalent to the poor people of the Ea Side," commented *Mr. Gibeau, E.P.U.* vi principle.

This 1982-1983 school year has proved to be an exceptional one for Independence High School's own 76th Calvary Marching Band. The band has once again lived up to its title of "the best" and still holds its well-deserved first place.

They opened the year by taking first place in the Medesto Field Show. From there they competed in the California State Championship and the Live Oak Invitational, receiving a first in both competitions. Exhibitions were performed in the IHS Invitational, Kamehameha Band Festival Pasadena City College Field Show, and Disneyland. The band ended their fantastic year by appearing in the Tournament of Roses Parade in Pasadena, California. This is definitely a group of students to be proud of.

The Liberty staff has embraced the **responsibility** and welcomed the right to publish news on our campus. The commitment and energy of the staff has insured a newspaper that was not only timely, but addressed current issues that affected students on and off campus. Cub or veteran, each member was an important ingredient to each edition and worked as a unit designing layouts and determining how events would be covered. From the layout to the final printed edition delivered to students, support from many areas on campus was utilized.

Independence Graphics, under the direction of **Judy Dreiger** guaranteed quality printing — the majority of which was done by students. **Photography and technical advice** was given by **Vince Bernucci,** which enabled **The Liberty** to squeak through tight spots. The School Improvement Program, coordinated by **Susan Omsberg** provided necessary equipment that enabled us to communicate to students, staff and the community. **The American** supplied photographs on occasion and a continuing sense of unity was further developed with the publications staffs of **The Liberty** and **The American** working together.

All of this could never have been realize without the support of our school principal - **Mr. Klitgaard** — his encouragement an contributions helped remind us all the power ar the responsibility we have in the press.

The Liberty has held as its motto this yea "Journalism is the watchdog of freedom." W will continue to remember this precious right w have and use it with a growing sense responsibility.

Paula,

Well as everybody says - the four years went by fast didn't it. We've had alot of memories and experiences - Gellerman's, Jordan's, and Jordan again this year; well you had him for a little while. It has been a pleasure becoming friends with you Paula, you are a sweet person who everybody enjoys being around. Ha Ha, I am finally taller than you (joke) Listen Woman, you better not become a stranger now that we are graduating - Maybe we can get together sometime during the summer and go to the beach or something. Stay the way you are and get everything you want out of life.

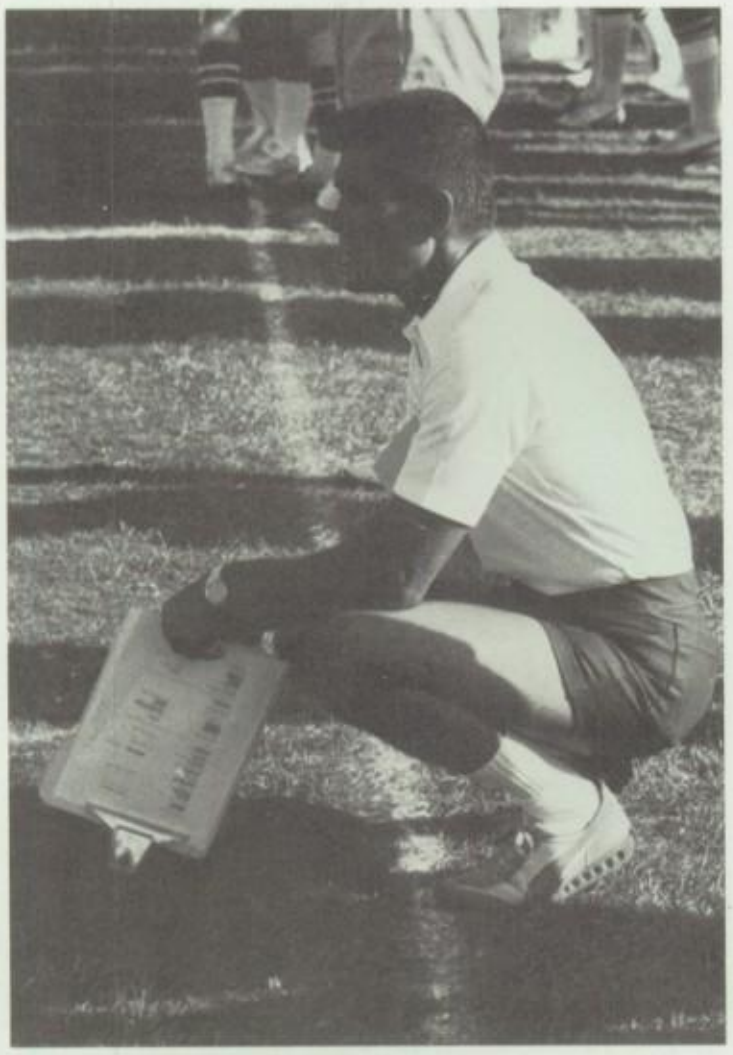
P.S.



To win the **1982 M.H.A.L. Championship** was the goal of the Varsity Football Team. That goal was accomplished by the 76ers with a *perfect* 9-0 league record.

This year's team was the *first* ever to accomplish such a record, but it was no easy task, as the team was challenged time and time again to show their *mental toughness* and *dedication* to overcome adversity. When the dust had settled, three games ahead of the league's second place team.

Though the season began slowly (Independence lost 8 to 14 to North Salinas), the Sixers soon picked up speed as they handled stubborn Yerba Buena and Oak Grove. They then bowled over Overfelt 34-0 and James Lick 35-0.

The Sixers met and defeated Mt. Pleasant in what was to be the pivotal game in the M.H.A.L. race. Though Mt. Pleasant was out to defend its Championship title, the Sixers established themselves as the team to beat in the **M.H.A.L.** as the final score was 20-8. Indpendence went on to defeat Santa Teresa 20-8, Piedmont Hill 7-0, Silver Creek 21-14 and rounded out the season with a win over Andrew Hill.

As Champions of the M.H.A.L., Independence went on to the C.C.S. Playoffs. They lost, but did fourteen other good teams.

There were many heroes of the 1982 seas but no member of the team should be overlook for each made a contribution to the Champi ship campaign. This was a team that reached goal of many years Independence has worked This team has set the standards for future var football teams of Independence to follow. T season's stat people were *Lisa Brown, Cy Johnson, Patty Rosetto, Kim Sawyer,* and *Na Tucker.*

Hard-working, hard-hitting, championship Frosh-Soph Football teams are a tradition here at Independence. The 1982-83 edition of Frosh-Soph Football followed in that tradition. The Sixers finished with a 8 win-2 loss record overall, an d and 8-1 league record good for another **M.H.A.L.** crown. The reason for this year's success was the entire team's willingness to work. Through their literally hundreds of hours of practice, a bunch of young inexperienced men became a polished, disciplined, championship football team.

The Sixer offense, which scored an impressive 194 points on the year, was direcred by quarterbacks **Eric Cotton** and **Al Jackson.** Leading the ground attack were **Lonnie Jackson** and **Cedric Pumphrey.** Top receives included **Chris Rivas, Ryan Hollenbeck,** and **Kevin McGoff.** Controlling the trenches were linemen **Gary Baker, John Nicewonger, James Whitemyer, Larry "Bama" Kyzer,** and **Mike Karp.**

The Sixer "Doomsday" defense again lived up to its name by allowing a mere 73 points all yar and registering three shutouts. Anchoring the line were **Mike Porterfield, Larry Kwong, Aaron Barnett, James McEntee,** and **Hollenbeck.** Thrashing opposing running backs were linebackers **Alex Acosta, Danny Lopes, Kyzer,** and **Nicewonger.** Patrolling the airways were **Gre Mendoza, Mike Thayer, Lonnie Jackson,** and **Al Jackson.**

This year's team prehaps more than any other epitomized th meaning of the term, **"Sixer Football."** They proved that a grou of young student athletes, no matter how young or lacking in ex perience, can, if they put their heart and soul into it, reach the goal. Their goal was to be Champions of the **M.H.A.L.,** an **Champions** they are!

100 SOPHOMORES

Good cross country runners can be made. This year's boys team, although a very young team, developed themselves into an excellent team through **hard work** and a **love of running**.

Even with the loss of *Tom Legan*, one of the best runners in the C.C.S., the team pulled together and ran wieh every improving times. This continued improvement and desire to succeed undoubtedly be a factor in next year's championship. The 6 win-3 loss record for third place in the M.H.A.L. was a *great achievement* for such a young team. Top runners *Joe Rancadore, Mike Licalsi* and Anthony Smith were joined at season's end by *Paul Bragg*, bettering 13:00 minutes on the Alum Rock Course. The promise for next year is even greater with *Bill Dudley* and *Eric Gammell*, on the verge of also breaking the 13:00 minute barrier.

A successful team is much like a successful family unit. This year's girls team was successful because they had (1) competition (from within), (2) self-motivation, (3) team spirit, and (4) talented runners.

Individually, the team was led by the very talented *Sharlene Rogers* and *Kelly Catto;* the maturity and leadership of *Kathy Mastrini;* and the constant improvement of the entire team. Also, breaking 16:00 minutes on the demanding Alum Rock course were *Stacy Chretien, Pam Bragg, Rosemary Gomez, Denise Thompson*, and *Andrea Sanchez.*

Congratulations M.H.A.L. undefeated duel meet champions — 9 wins-no losses.

Good luck

he **Girls Tennis team** for 1982-83 demonstrated an xceptionally well-played season. Their record stood 10 wins-3 losses, placing them third in the **.H.A.L.** one of the shining highlights of the season as their victory over Santa Teresa. In putting forth *ard work* and *determination* the girls outdid their xpectations; their rewards were well-deserved. Individually, the team captain **was Mary Beth Ledesma,** and congratulations are in order for **Cheryl Jue** for her attaining the title of #1 singles and her placement of second in the league. Sadly, though, the team this year has had to say *farewell* to seven seniors.

he 1983 Boys Tennis Team kept in line with its minent tradition in posting another *impressive* eason. This year's team consisted not only of lented players, but of young men dedicated to ard work and excellence in their intense pursuit f ultimate *victory*. The position of number one ngles was placed on the broad shoulders of oreign exchange student **Tim Grunner,** who layed admirably. Other "stars" of the team who performed brilliantly were **Tien Nguyen, Ben Jue, Paul Chung,** and the team's "tower of strength," **Arnold Argau.** The "class of the league" at first doubles was unconquerable duo of **Ray Mendoza** and **Andy Jue.** Rounding out the squad at number two doubles were **Jose Perez** and **Kirk Kumagai,** who both performed expertly. The 1983 tennis team was a young group of players and with a strong group of underclassmen on the "taxi squad," the team will continue to be a *force* with which opponents will have to reckon.

Congratulations and highest accolades to the pride of Independence and the class of the league. Players not pictured: **Arnold Argao, Bob Miyahara.**

This year's softball team was a young one — half the girls were freshmen and sophomores. The leadership this year was provided by team captains *Carrie Ladd* and *Sandie Sanchez* along with returning block starners *Yvette Tiffer, Melanie Argao, Robin Koreski* and *Janet Krygier*.

By press time the Sixers had played only *3* games (the other 7 had been rained out). However, even with just 3 outings, all of which were won by the Sixers by a combined score of 42-15, the team's potential was starting to show.

Our **Varsity Track Team** has *won the C.C.S.* **two** *years in a row,* and are picked to win it again this year.

The greatest track athlete in our school's history is *Erick Montgomery.* Erick set the C.C.S., 300LH record (36.22) last year, and is considered a threat to break the national record this year. Als Erick is one of three hurdlers in the State favore to win the state title.

At this time our overall team looks *very good* f the season of 1983.

his year's Independence Varsity Swim Team is vast quantity and quality. The Sixer girls squad is led by ophomores **Jean Badding** and **Diana Garzon.** The ddition of many fine freshmen, including Krista erkland has helped the Sixers become one of the eams to beat in the MHAL. Returning from last ear's diving team are Seniors **Jaenelle Leffler, lachelle Sembera** and **Jennifer Jones.** These three irls combine to make the IHS Diving Team the best in the MHAL.

It should be noted that this is the first time the boys and girls swim teams have been combined and it has shown to be *successful.* A final note: Top swimmers from both teams have won the right to compete in the Mission Viejo National Invitationals in Southern **California in April. Good luck SIXERS!**

The **Girl's Frosh-Soph Basketball Team** had a *fantastic* season. They started off the season capturing first place in the Gilroy Tournament defeating Cupertino, Harbor and Gilroy. **Charlene Begay** was selected to the all-tournament team.

The team captured the Southern Division of the Mount Hamilton Athletic League by defeating Santa Teresa in the final league game 48-47. The Sixers came back from a 13 point deficit to pull off the one point victory. According to **Coach Sordello,** it was the **best** game of the season. Both teams had one loss going into the game and the win decided the South Division Championship. Top games of the season were: IHS 75, Lick 6, IHS 53, Overfelt 11; IHS 48, Piedmont 8; IHS 58, Yerba Buena 13.

Completing a terrific season, the Sixers *captured* the MHAL Championship by defeating Mt. Pleasant, the North Division Champs, 34-16. The Sixers finished the season with 20 wins and only 1 loss.

Congratulations Sixers!! **You're #1!!**

As the season began, the 1982-83 Boys Soccer team experienced some difficulties in deciding who should make up the nucleus of the team. But, thanks to Coaches Mar and Ostermann, we were able to put together a team that surprised many people, except the coaching staff. The turning point of the season began during the Christmas vacation when the team took second place in the Overfelt Soccer Tournament. Though there were some upsets during league play, but these losses were soon forgotten as the team upset every C.C.S. ranked team they played, and as a result, reached the quarter-finals.

The defense of the team was just superb, as it shut out seven opponents in a row. Members of that part of the team were **Adrian Diaz,** goalie; **Flynn Carson,** sweeper back; **Ralph Gutierrez,** center back; and **Tim Gruner** and **Dean Harding,** outside fullbacks. The play-making ability of the halfbacks made the team a very difficult one to stop. The players of that group included **Chad Carson, Alez Meraz, Dennis Leal,** and **Erick Salas.** The offense was one of the most feared in the league, for with great talent and speed, the team was able to smash all opposition. Those who demonstrated these characteristics were **Steve Robinson, Dave LaRoche, James Davis,** and **Joe Nicewonger.**

The following players were M.H.A.L. All-League selections. Firs team — Adrian Diaz, Flynn Carson, Tim Gruner, and Dea Harding. Second team — Chad Carson, Ralph Gutierrez, an James Davis. Honorable mention — Steve Robinson and Dav LaRoche.

The Sixer's *extremely successful* season ended in the C.C.S **semi-final game,** as they questionably lost to Santa Teresa, 2-1.

Great season, soccer team!

Intramural Sports consists of team members and individual players, all of whom are I.H.S. students. Everyone is invited to participate. Says I.M. Director *Gene Cagliardi*, "I.M. Sports are sports for all!!! Fun for all!!!" The I.M. Commissioner for 1982-83 is *Michael Smith* (H.H.). I.M. Sports are played during lunch daily; Fridays are "open gym." I.M. offers a wide variety of sports, ranging from flag football to badminton. At the end of each year, points are compiled to determine who will win the coveted Villa Trophy.

For the past five consecutive years, *E.P.U.* has been the winner of this trophy. But, this year a very close race for the trophy is expected. Each month, outstanding participants are chosen for Athlete of the Month honors. The Intramural Sports Staff would like to *thank* all of the participants for showing such great **spirit** and **support** for the I.M. Sports Program.

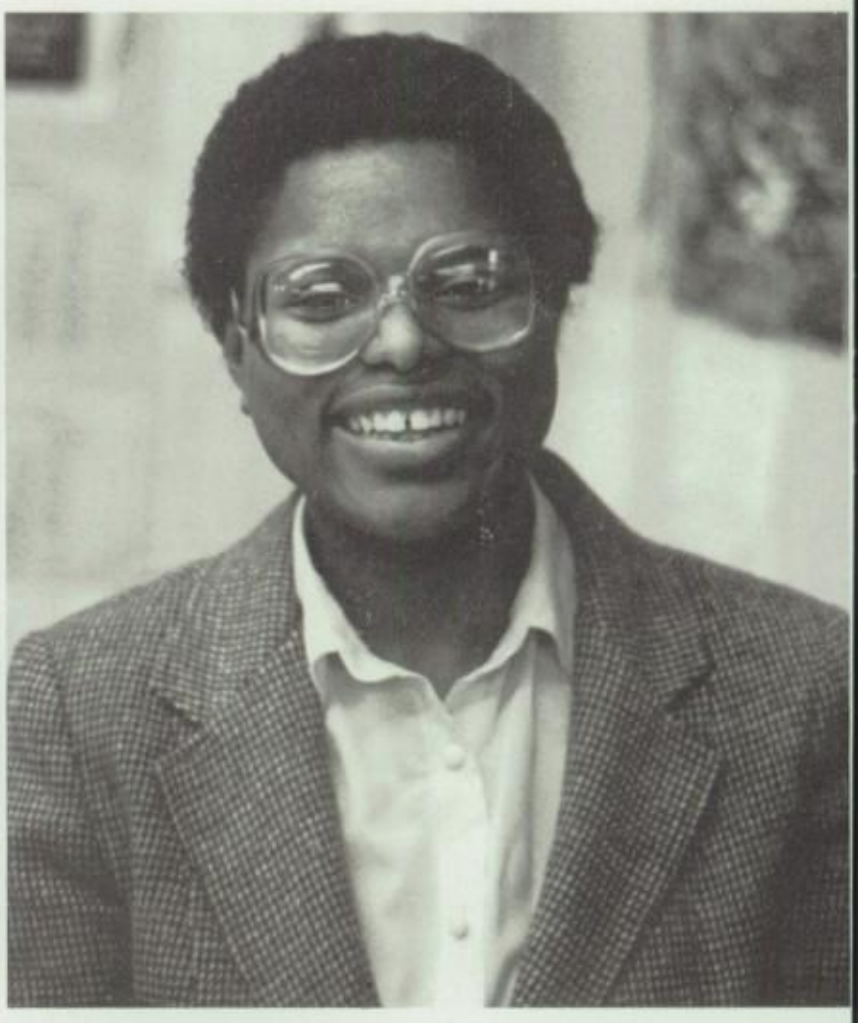
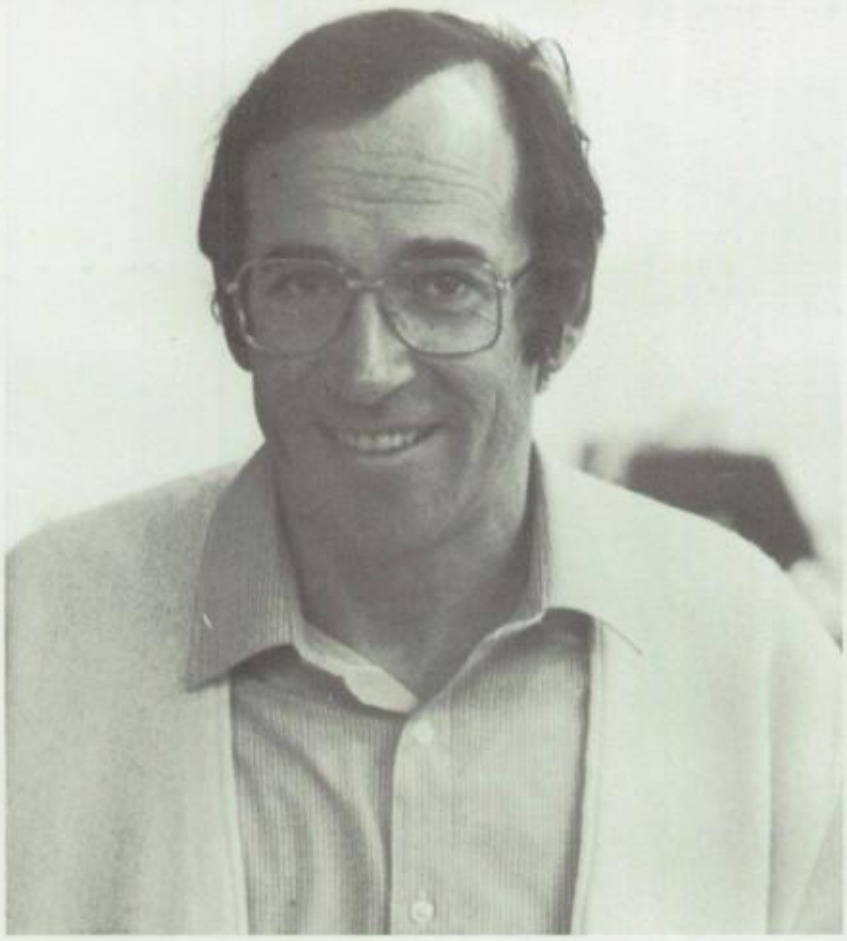
FACULTY





Being a teacher is not an easy task, however **Mr. Robert Jordan,** serves above his regular teacherly duties by serving the student body in a number of ways. This extra help can be in the form of after school study sessions or by being a friend to students. Mr. Jordan has the special qualities which enable him to understand his students and give them guidance and support. His sense of humor helps to make classroom time more enjoyable, and his overall character makes him a person to admire and emulate.

From student teacher in Mountain View, to full time teacher at Independence, **Ms. Debra Watkins** has traveled a long way to be chosen in the "Teacher Most" list.

Besides being an English teacher, she is also the advisor and creator of **"Sunrays,"** the multicultural club on campus, running now for its second year. Her reason for creating Sunrays is simply, "To bring students together in a multicultural understanding."

"Preparing students for college and having them return to tell me how much I have helped," is what Ms. Watkins says she has accomplished in her six years as a teacher. As for the future, she is interested in starting a multicultural program at the District level.

The **Lambros** have been with Independence since it opened. Mr. Lambro teaches **American Government** and **U.S. History** and is an advisor for **NHS** while Mrs. Lambro teaches all levels o **English.**

They are both well read on their subjects. The average evening of entertainment in the Lambro home consists of Mr. Lambro reading up on the history of some new ways to amend the Constitution and Mrs. Lambro deciding which 500 page novel to read next.

The students that have one or both of the Lambros are familar with the **"Finigan the Cat"** stories and their college teaching techniques. Mr Lambro is characterized by most as the teache with the **pithy** remarks. Mrs. Lambro manages to brighten the classroom atmosphere with her **wit tiness** and **understanding.**

Achievement — Leadership — Service. These are the words I think of when I look back over this school year. Student interest and activity in the academic area was seen by the *improved* test scores and more students involved in higher academic pursuits. Reports of the *successes* of our graduates in the field of higher education also emphasized gains in this area. Our athletic teams also made this the best year to date in *achieving* their goals. Leadership from students and staff have been seen in many ways, from work on the School Side Council, the **Liberty,** and this **Yearbook** to improved rallies, assemblies and other activities. The increase in **Jack Emery** collections and the spread of this noble activity to senior citizens groups is an example of service of the school, to mention only one item. You can be *proud* of your year and should feel it was *productive* as well as *fun* to be involved in. May your future years be as rewarding.

Guy C. Klitgaard

Mel Goertz

To the students of **Independence High School:**

Is it traditional that we say each year is better than those which preceded it? It seems so, and yet I am sure that is exactly how we feel. As we grow and *progress* through life, each year does indeed get better than before. What we learn and how we use our *abilities* is the measure of our *success* and *happiness*. There is no doubt that 1982/83 will be remembered as a year better than all the rest thus far. **Congratulations** to each of you for the part you played in this *success*, and may your lives continue to grow with *knowledge* and *happiness*.

Mel Goertz
Assistant to the Principal

The **"H"** building may be recognized by a number of assets besides serving as the main office for visitors. Behind the orange doors, could be considered the *heart* of INDEPENDENCE.

The offices of Guy Klitgaard, principal, and Mel Goertz, assistant to principal, are located in the "H" building. Among them arrive new students registering, requesting transcripts or finding the health needs for the school.

Is it possible to improve **Independence High School** when *excellence* is written all over the faces of its students and staff members? Is it possible to create more activities for student services when I.H.S. is already overflowing with *clubs, athletic programs,* and *organizations?* Maybe not, but its for these reasons that the **School Improvement Program** came to existence.

A group composed of dedicated teachers, parents, and students meet twice a month to discuss the growing needs of I.H.S. Problems are looked upon with great concern and are not put aside until answers are found. New ideas are brought forth and are considered and debated on. With the guidance of **Susan Omsberg,** S.I.P. coordinator, the school site council is determined to bring the best out of I.H.S. Their goal is to make Independence High School shine with excellence, and they won't stop at anything until they obtain that goal.

Independence Hall (I.H.) has many *important esponsibilities* on our campus. *Justice* must be *main-ained* on our campus, and CO6 is first to recognize this ecessity. The main duties that are enforced at I.H. are ecording student attendance, maintaining discipline, nd providing security for campus hours.

Mr. Morales is the advisor for I.H.; co-advisors for ach villa are **Mr. Cabral** (H.H.), **Mr. Olmos** (E.P.U.), and **Ir. Renteria** (L.M.). Liasons for CO6 are **Mr. Mosley** and **Ir. Castro**.

The *pride* that I.H.S. so often exhibits is due, in part, to e fine efforts of those who work each day in I.H. to con-ol the negative aspects of campus life. Hopefully, with udent cooperation, future years at I.H.S. will exemplify e efforts of Independence Hall.

Dear Graduates:

For all your efforts and your accomplishments, let me offer my most sincere congratulations! Your education is an asset, not only to you, but also to your community, nation, and world. You owe it to yourself, and to all of society, to conserve and extend your resources of knowledge for, as mankind is now learning, knowledge is an inexhaustible resource. As Alfred North Whitehead said, *"Today we maintain ourselves. Tomorrow, science will have moved forward yet one more step, and there will be no appeal from the judgement which will then be pronounced on the un-educated."*

Independence High School has played a major role in your life the past four years. As you move into the new explorations of the world and yourself, testing the knowledge you have gained and the theories you have formulated, you may continue to benefit from the intellectual interactions you have established with your high school teachers. Today you have completed one phase of your education, but you will find that learning is a life-long activity that the future offers various opportunities to broaden your present knowledge. Many of you will return as students in either a community college or a university. Some of you may find a wide variety of alternatives in life, all hopefully toward your own happiness and success. For whatever path you may choose, may I offer and dedicate this poem to you all . . .

"Keep Going"

There's no skill in easy sailing
When the skies are clear and blue.
There's no joy in merely doing
Things that anyone can do.
But there is great satisfaction,
That is mighty sweet to take
When you reach a destination
That you said you couldn't make.

Anonymous

Good luck and *pleasant sailing!*

Please do not read this until the year **2008** (twenty-five years from today). Twenty-five years ago this yearbook was published. It's now the year **2008** and some of you are getting ready to attend your Twenty-Fifth year Reunion. *During* your high school days of **1982-83** my basic philosophy of life and education was based upon a totally positive viewpoint. I sincerely hope that your viewpoint today is the same. Twenty-five years ago I perceived each and everyone of you as you could be, not as you were. My personal pride in relation to you was *bountiful.* Without a doubt, I knew that you would be the *success* you are today, the year **2008.**

My Pursuit of Excellence for Maximum Student Achievement was always paramount. The abilities of Harvard House educators, parents, students and the business community to "orchestrate" resources was crucial, particularly in light of the declining financing we faced in the persuit to provide you with a quality education.

Have fun in life, speak to people, smile, be cor dial, be generous with praise, considerate with th feelings of others. Be **honest** and maintain a goo sense of **humor.** *Please* continue to **work** har and **contribute** to society in a positive manner.

The **Visual and Performing Arts** department at IHS is the biggest and *best* in the entire **East Side Union High School District.** Approximately one-fourth of the students at Independence are involved in this program. VPA includes *dance, band, art,* and *theatre* and has been known for its excellent plays, intriguing dance concerts, outstanding field shows, creative art displays, and entertaining musical productions.

VPA also has an organization called the Magnet Program. This program allows students from other schools to come and participate in IHS's *magnificent* VPA departnment. The VPA, in its second year, has proven to be a valuable part of the Independence campus.

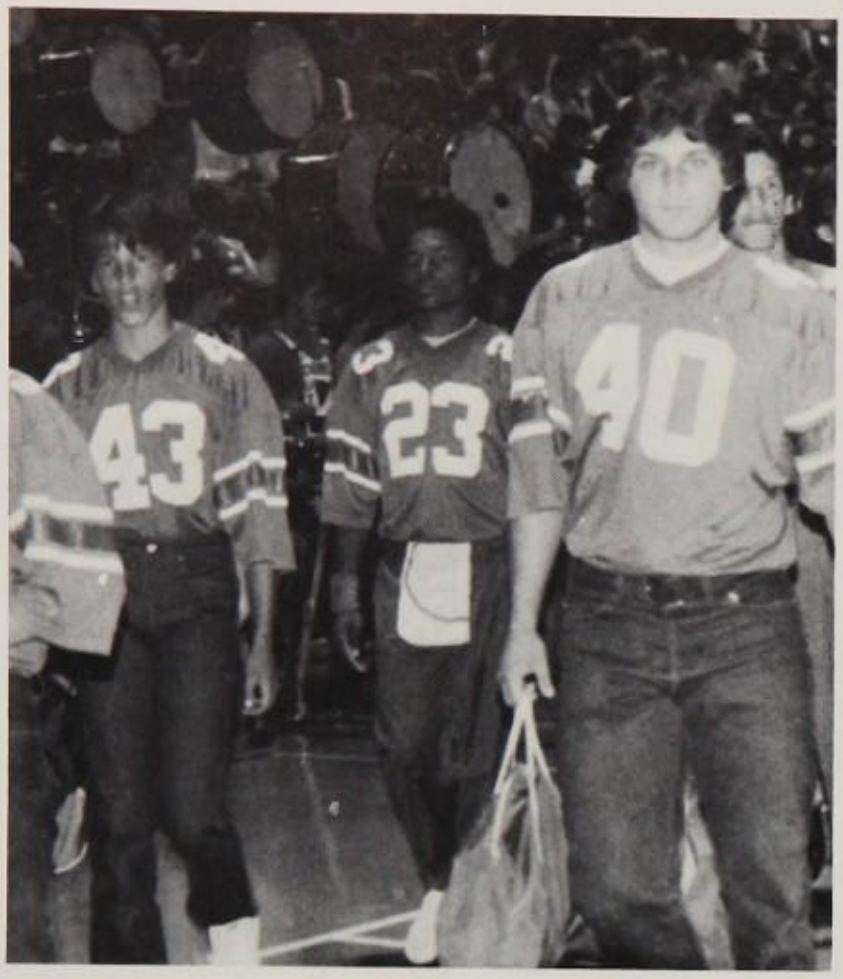
The 1982-83 school year marks the third year of the Hearing Impaired Program's existence at **Independence High School.** This County sponsored program is designed to meet the educational needs of hearing impaired students throughout Santa Clara County.

The program's *philosophy* is one of *Total Communication.* This means that *all* modes of communication are utilized in instructing our hearing impaired students. The staff of the Hearing Impaired Department consists of 13 people. There are four teachers, seven interpreters and aides, one speech language therapist and a half-time counselor.

The program is located in Harvard House. Classrooms D-14, D-16, D-18 and D-20 are used for the hearing impaired. The department office is located in D-01.

All of the hearing impaired students attend some regular classes with the assistance of one of the program's interpreters.



This year seems to be **Independence's** most famous year for spirit. The sixer fans *yelled* and *screamed* their hearts out, while cheering the Sixer teams to victory. Despite some bad weather, the sixer fans showed up to support IHS.

A lot of thanks to the devoted teachers and the *enthusiastic* students that make this department the best!

The languages that are taught are: **Spanis Italian, French** and **German.** The courses includ speaking, writing, reading and learning th customs of different countries. With 33% of th students at I.H.S. taking a foreign language, shows the *involvement* and *pride* that studen have to make Independence the best!

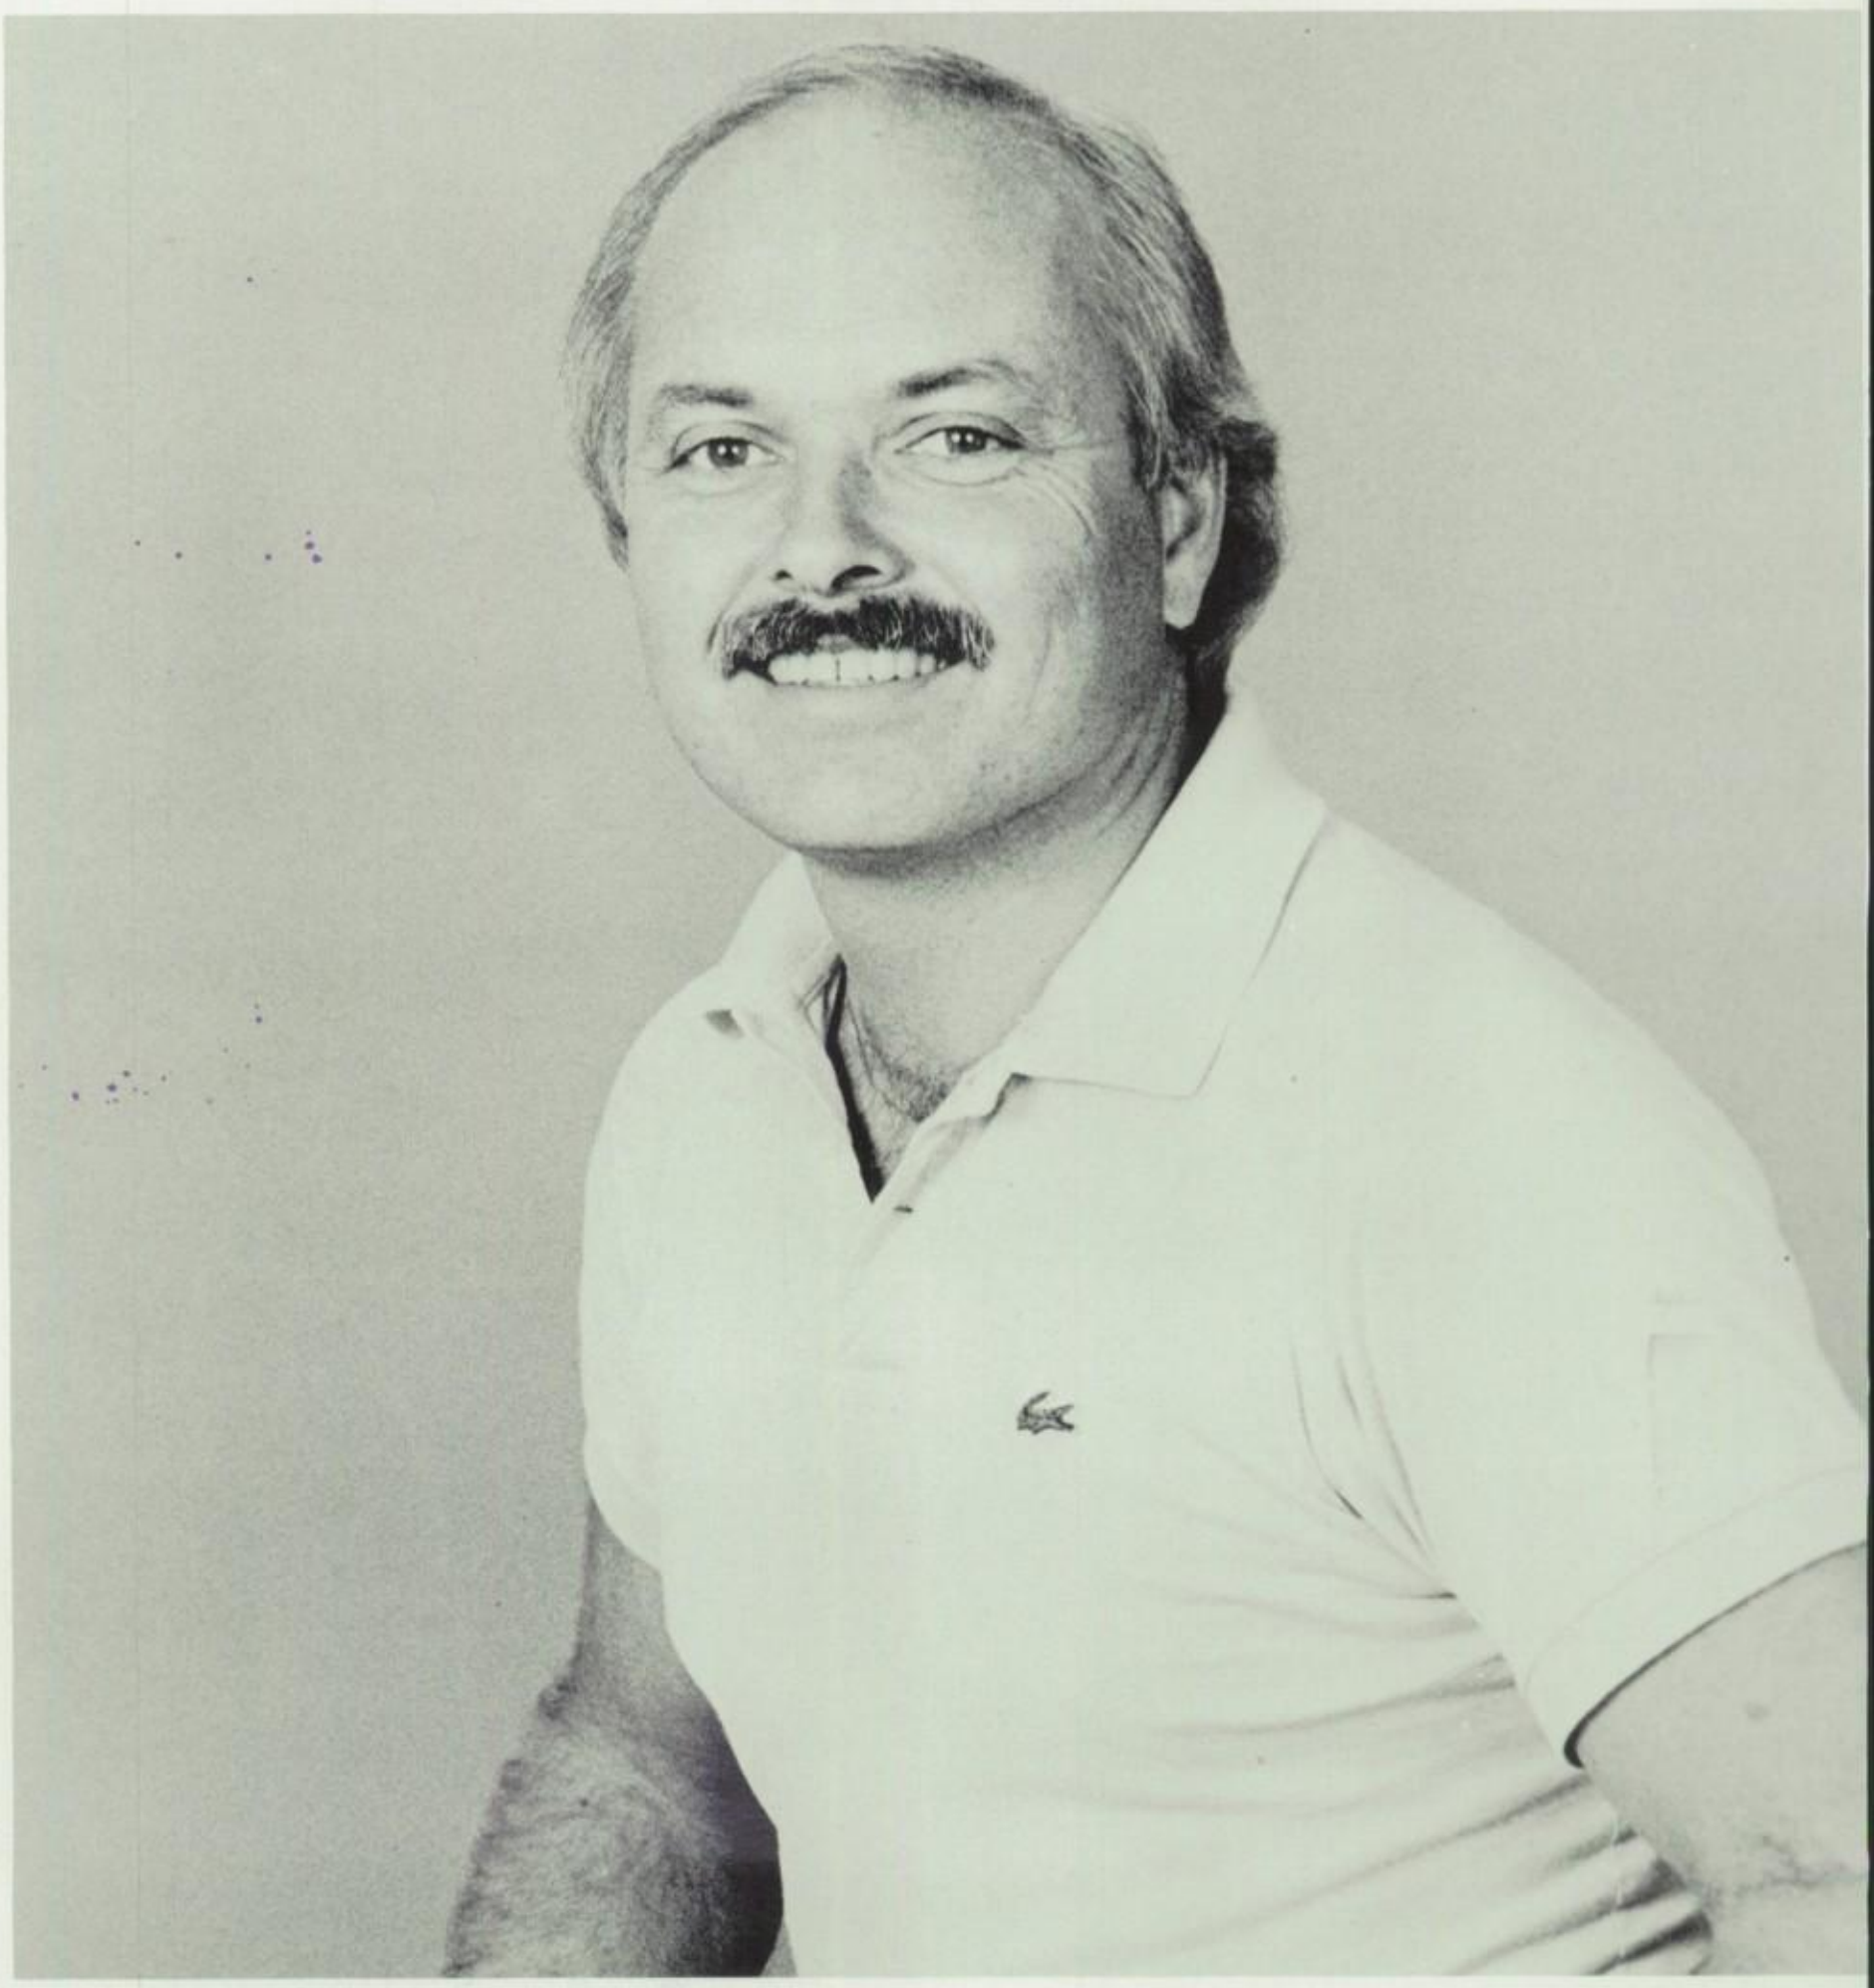
Oh God! There I am again, yay Tod!



The American staff would like to take this opportunity to show our love and thanks to our yearbook advisor, Mr. Paul Ender.

Mr. Ender is more than just a teacher — he is a friend. He has always been there for us and anyone else who needed him. We will never forget what he has shown and taught us. He has treated us not only as students but as unique individuals. Without him this yearbook (and past yearbooks) would not have been possible.

Mr. Ender has sacrificed a lot of time with his wife and two daughters to stay after school (and sometimes weekends) to guide the staff in producing the yearbook.

DEADLINES! DEADLINES!! Like Mr. Ender always says — "... you'll never know what a deadline is unless you experience it!" Well, The American staff can't argue with that! This year we had to struggle through many obstacles to meet our deadlines. Thanks, Mr. Ender, for not giving up on us!!! Your never-ending patience and understanding can't be matched . . .

We love you . . . and all your pink and turquoise Izods! We'll never forget all the aggravations, frustrations, french fries, laughs, double whoppers, etc. of this past year. Thank you — you're "the BEST advisor a yearbook staff could have" . . .

With Love,
American Staff '83

I wrote some of this too!

This year marked the *first time* our own **IHS** stadium was used for our homecoming. The entire stadium was filled to capacity and the crowed was filled with energy. Toilet paper streamers and confetti were seen flying through air all through the game. Our own IHS band played and our last year's cheerleaders came back to cheer our team on to **victory!** We had a totally awesome float.

Our homecoming rally was one of the most enthusiastic in IHS's history. The Varsity M.H.A.L. football team and the Homecoming King and Queen nominees were announced and we had some "small visitors" . . . da da da daaaaaa da da daaaa da da daaaaa da da . . . (right Dee-Dee??) We also had our first *Homecoming Dance* which was quite successful.

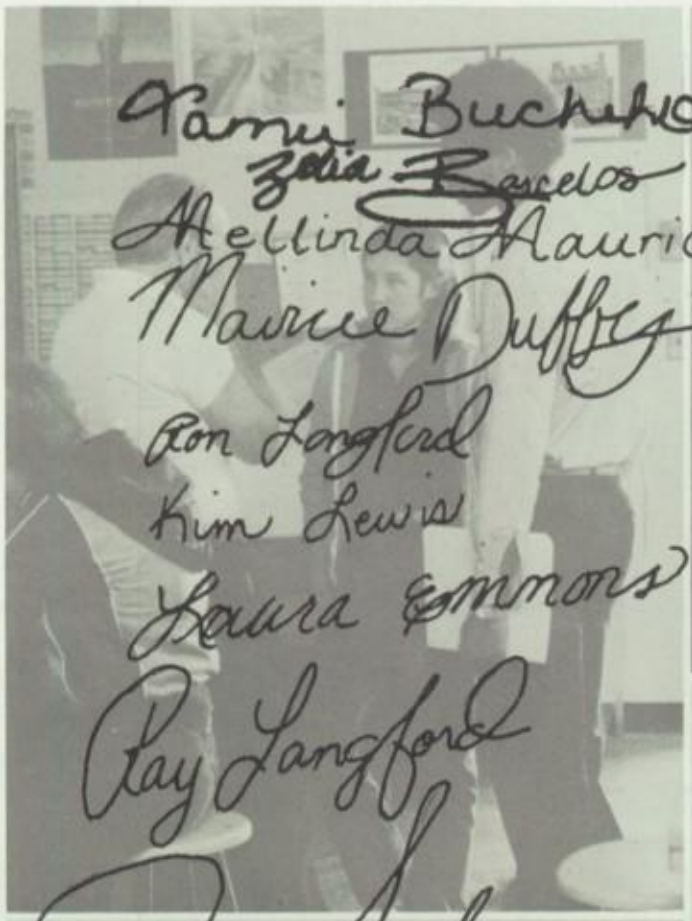
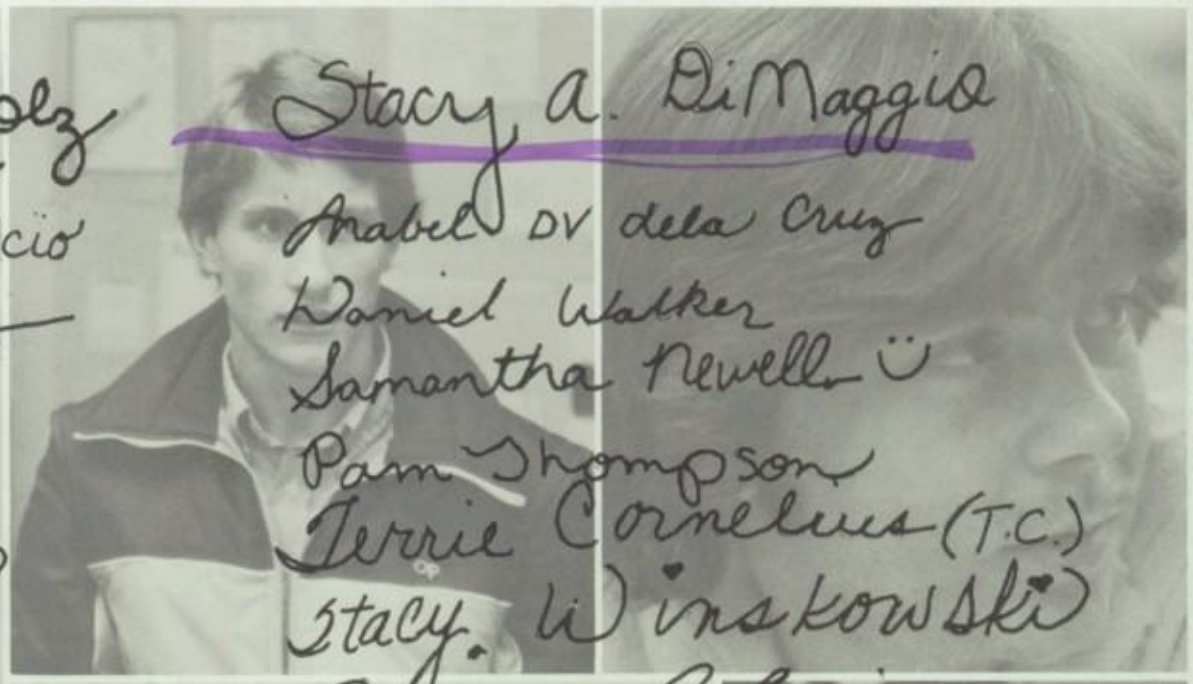
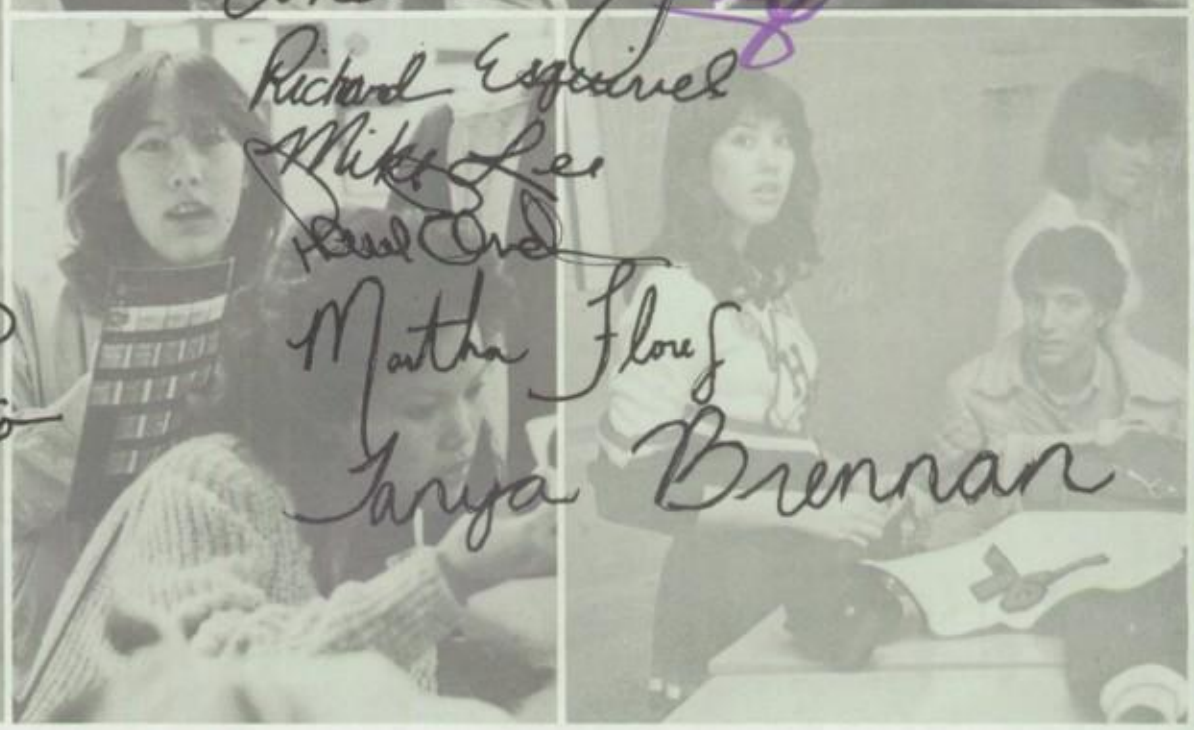
Can you believe it! High school is almost all over! done with! Now it's time for the real world, can ya handle it! You know that this year has been great!! Honestly! We've had alot of great times together! Your one heck of a BUDDY! You know that I really do love you, God, your like a sister to me, not only a [redacted]. It seems as though we agree on most everything. Well, sometimes. But, we have had alot of memories of each other to share and cherish Though the years! So, when your old and gray and dig out your old High School yearbooks. I want you to be able to read this and remember all the fun and crazy things we have done! Cause [redacted] just a few! You know I feel like crying [redacted] huh! It seems as though when you leave high school it should be a happy experience! Well it is!! But, it is sad to think that you may never see some people again! For some that's great. But, I don't want to bear the fact that I might lose are friendship! Which, better never happen, you hear! Even if you go off to Nebraska and fall in love with an Ozzy. And I go off to Canada and chase [redacted] girls. You'll always be my Best friend. You're the first. And that's always the best to be number one in whatever you do! Remember That, K? Cause you know what you want, and you have to go after it or else you will never be satisfied. You'll be thinking what if, and you don't want to do that, Right! Me neither! Well, now that I have totally gone off of what I was saying, and decided to give you advice instead. Anyway what I truely want to say is that your very special to me. It sort of hard to put in words, but I believe you know what I mean. Thanks alot for being here or there when I needed you, your a great supporter! Well, have a blast this Summer! And the years to come. Cause, were going to make our friendship last forever, alright! Remember the Bell system! I am running out of room! Lets get Ripped on good old Moose Head!!! GRADUATION!

All my Love,
Stacy DiMaggio







The Editorial Staff of the 1982-1983 *Independence High School Yearbook Staff* would like to thank everyone involved with the publication of this yearbook.

This year has been a challenging one for us. We have dealt with difficult circumstances that had temporarily hindered our progress, but we are happy to say that we have overcome our difficulties and have produced something of which we are proud.

We would like to thank **Mrs. Helen Williams** and the Liberty Newspaper Staff for all their help with the copy work in the yearbook.

Also, a special thank you goes to our advisor **Mr. Paul Ender,** for his hard work and dedication.

Last, but not least, we would like to give our gratitude to the Yearbook Staff itself. We, the Editors, feel that the staff has done a truly successful job of putting together this yearbook. Thank you for your help and cooperation during those *rough* deadlines.

The best of luck to next year's staff.

— Tami, Sung, Mabel, Stacy, Maurice, Rob, Mellinda

1982-1983 was a *banner* year for the **Associated Student body** activities at IHS. The various elements of government (Executive Council, Villa Advisories, Student Council, sports teams and clubs) blended together to form a unified, spirited campus for the **76'ers.** Most of our men's and women's teams won the MHAL and placed in the CCS playoffs. The hard work by Spirit Squad, led by Ms. Joanne DeLaRosa and Ms. Laura Quinn, won awards at Spirit Camp and did an excellent job with Spirit Week, the Halloween Contest and the Sadie Hawkins Dance. Our first Homecoming Dance was a huge success, as well as the county-wide, award-winning intramural program sponsored by Mr. Gene Gagliardi.

Assemblies and rallies at **Independence** are the best anywhere, and this year's efforts were outstanding. In December, at the Jack Emery Assembly, we collected a record total of *35,000* cans of food for the poor and the elderly. Mr. Welch's Leadership Class gave an outstanding luncheon for the senior citizens from the San Jose Food Bank Program. We now have 85,000 cans of food collected and donated by our ASB in the last four years.

March saw the presentation of the Multicultural Assembly, demonstrating our United Nations flavor through dance, music, costumes, and food. Guests at various spirit rallies and assemblies included the Mayor of San Jose, Tom McEnery, the San Jose City Council members, the East Side Union High School District's Board of Education members, our Superintendent, Dr. Harry Reynolds, the rock band "Atom," Mr. Teenage San Jose Jay Megerson, Big Bird McDonnough, and the 4-H Program of Morgan Hill.

Thanks to our Student government advisors and officers for their hard work and **energy.**

Paula,

It looks like we made it. It's hard to believe our high school years have come to an end. It just doesn't seem as though four years of high school could pass so quickly. It doesn't seem that long ago that we were in Morrill together. But I guess it was a long time ago.

This past year has been the best of my high school years cuz it brought me close and great friends like you. I have enjoyed your company so much, especially in Geek' class. Say that

You have been nothing but a sweet kind, considerate and understanding friend since the first day I met you. It's going to be so hard saying good-by at graduation. You have helped me through alot this past year. You supported me when I was down and out about P.C. You gave me strength and advice that I will never forget. You are someone I will never forget. You are such a unique person. Thanx so much for being my friend. You are someone special. You take it easy and take-care cuz I care. Good-luck in everything you do and I hope all of your dreams come true.

Have the sounds of Beethoven's Symphony drifted to you during one of those long, boring class periods? That was none other than **IHS's** own string orchestra, conducted by *Mr. Bob* Russell.

Many musicians auditioned, but only the best were chosen. The orchestra displayed its excellence at the CMEA (California Music Educators of America) Festival and toured to Southern California to play at Disneyland (with the jazz choir) and Sea World. Many students, teachers, and parents attended these fantastic performances. Hope you didn't miss catching a glimpse of America's future Mozarts.

The **Winter Sports Rally** turned out to be a *great success* this year. It not only brought forth a great deal of enthusiasm from the students, but a lot of spirit for the teams. Many of the teams demonstrated their skills and showed how they worked together as a team to be number one!

Another highlight of the rally was a *live rock 'n' roll band*, the **'ATOM,'** who performed a few songs for **IHS.**

The **Winter Sports Rally** turned out to be one of the best assemblies of the school year.

Vibrant voices, electric dancers, and melodious musicians, describe numerous actors and actresses who displayed their talents at this year's theatrical performance of **HELLO DOLLY.** The combined efforts of the musical comedy production troupe provided the backbone for this *successful* stage production.

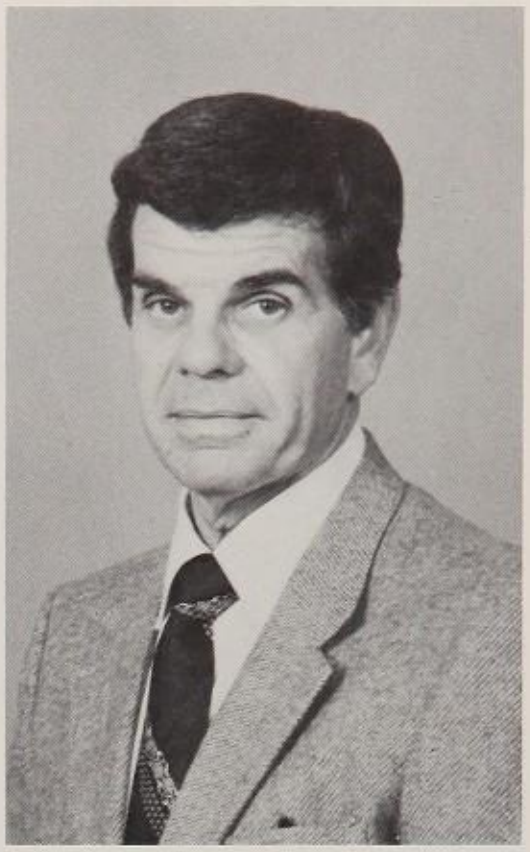
The cast members included:
Margie Norris — Dolly Levi
Neil Kaplan — Horace Vandergelter
Liz Volio — Irene Malloy
Wendi Guerrero — Minnie Fay
Robert Zimmerman — Cornelios Hackle
Paul Vogel — Barnaby Tucker
Joe Cossey — Ambrose Kemper
Sharlene Jones — Ermengarde
Toni Tira — Rudolph
Pam Swain — Ernestina
Todd Lopes — Judge
Ken Wells — Policeman
Marty Pound — Clerk
Jule Zeppieri — Mrs. Rose
Mathew Lindstedt — Cook
Jonathan Larios — Stanley

MASCOTS ARE TO

Outstanding performances were enhanced by the technical crew who created and designed sets and special effects. Matchmaking and merriment wrapped up the run of six performances from this *incredible* ensemble of actors, musicians, and technicians.

TALLY AWARDS

The Dance Troop expresses its fame for dancing through *Dance Expressions.* The **Dance Troupe** is composed of talented students who are chosen from strenuous and competitive auditions. Along with being gifted in the art of dancing, these performers obtain a strong desire to master their love for dancing. The **Dance Troupe** has proven its highly developed abilities in ballet, jazz, and modern dance through inspiring performances at the California State Music Educator Conference and at the District Office.



The **Jazz Choir** is another aspect of the *excellent* VPA program on our campus. The group, directed by *Mr. Robert Russell,* has gone on a tour of Southern California high schools, Disneyland and Seaworld. Also, they have performed at local service clubs and participated in the International Jazz Festival in Reno, Nevada and for local television stations. According to Mr. Russell, "These 25 young musicians represents some of the best vocal talent on our campus. They are dedicated and committed to musical excellence in the jazz idiom."

An enthusiastic group of football boosters, the Peppers helped to represent the spirit that carries team players to victory. This grand group roared as each touchdown was scored. The Peppers sat as a booster club for all games.

I thought that you were a great person. And you still are a great person except for one thing. Your smile is one that seems to brighten many people. You are bright, talented. I hope that you succeed in life and the other things you do. Wow, but the year went by so fast! Chemistry was a blast with Mr. Miller which was really neato! I can believe we never hit one. Did he hit you? I'm sorry if he did. My fault. Better end now cause I'm running out of room. Well take care and have a good summer! See you next year!

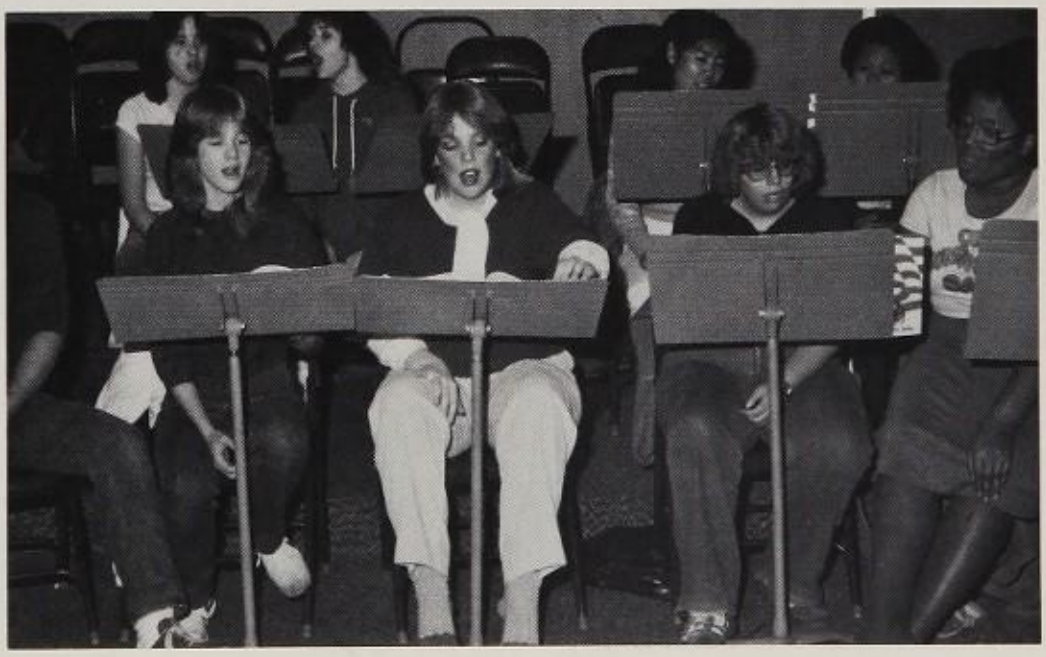
Singing, acting, makeup, set design, costuming are all part of the basic skills students are taught in **M.C.P.** These skills are utilized in the school's spring musical production of *"Hello Dolly."* Students have the opportunity to participate in a professional environment while having fun in an outstanding dramatic program.
Our **Musical Comedy Production** department is helping people realize their **talents and creativity.**



The **1982/83 Independence Choir** shows much potential and talent. The choir showed their excellence in performing during such events as the **Jack Emery Drive** and the Christmas production. They also performed very well in the performing arts produciton. The choirs endeavors are guided by directors *Tom Gaudio* and *Kathy Bullock*.

1982's Chrismas vacation was kicked off by the annual **Winter Carnival.** All of **IHS's** groups and clubs shouted their wares from their booths amidst the noise and semi-disorder. Appetizing smells drifted through the school, drawing dozens of students, teachers, and others.

Displays of food and other nifty gadgets caught the attention of many 76'ers. Already in the Christmas spirit, very few did not spend money. The **1982 Winter Carnival** was a great success and probably the best **IHS** has ever held. What a *fantastic* way to end the month of December!

This 1982-1983 school year has proved to be an exceptional one for Independence High School's own 76th Calvary Marching Band. The band has once again lived up to its title of "the best" and still holds its well-deserved first place.

They opened the year by taking first place in the Medesto Field Show. From there they competed in the California State Championship and the Live Oak Invitational, receiving a first in both competitions. Exhibitions were performed in the IHS Invitational, Kamehameha Band Festival Pasadena City College Field Show, and Disneyland. The band ended their fantastic year by appearing in the Tournament of Roses Parade in Pasadena, California. This is definitely a group of students to be proud of.

The Liberty staff has embraced the **responsibility** and welcomed the right to publish news on our campus. The commitment and energy of the staff has insured a newspaper that was not only timely, but addressed current issues that affected students on and off campus. Cub or veteran, each member was an important ingredient to each edition and worked as a unit designing layouts and determining how events would be covered. From the layout to the final printed edition delivered to students, support from many areas on campus was utilized.

Independence Graphics, under the direction of **Judy Dreiger** guaranteed quality printing — the majority of which was done by students. **Photography and technical advice** was given by **Vince Bernucci,** which enabled **The Liberty** to squeak through tight spots. The School Improvement Program, coordinated by **Susan Omsberg** provided necessary equipment that enabled us to communicate to students, staff and the community. **The American** supplied photographs on occasion and a continuing sense of unity was further developed with the publications staffs of **The Liberty** and **The American** working together.

All of this could never have been realized without the support of our school principal — **Mr. Klitgaard** — his encouragement and contributions helped remind us all the power and the responsibility we have in the press.

The Liberty has held as its motto this year, "Journalism is the watchdog of freedom." We will continue to remember this precious right we have and use it with a growing sense of responsibility.

Dear Vienna,

Well, the years over — we're finally SENIORS!!!! Can you believe it?!

Well, we've had some pretty fun times together (Remember Mr. Rutherford!? and all the wonderful friends in D-32 — or whatever number his room is!!) And I hope that next year we'll have some more. I also hope that we'll have <u>at least</u> one class together next year. You're a great friend and a super person and I'm glad I got to know ya this year. Don't worry, we stumbled through this year, we can make it through <u>next</u> year! (HA, HA)

Good luck next year, and also with being a mascot — when I come to the games and rallies, I'll be cheering with ya!

Have a <u>fantastic</u> summer,

Love

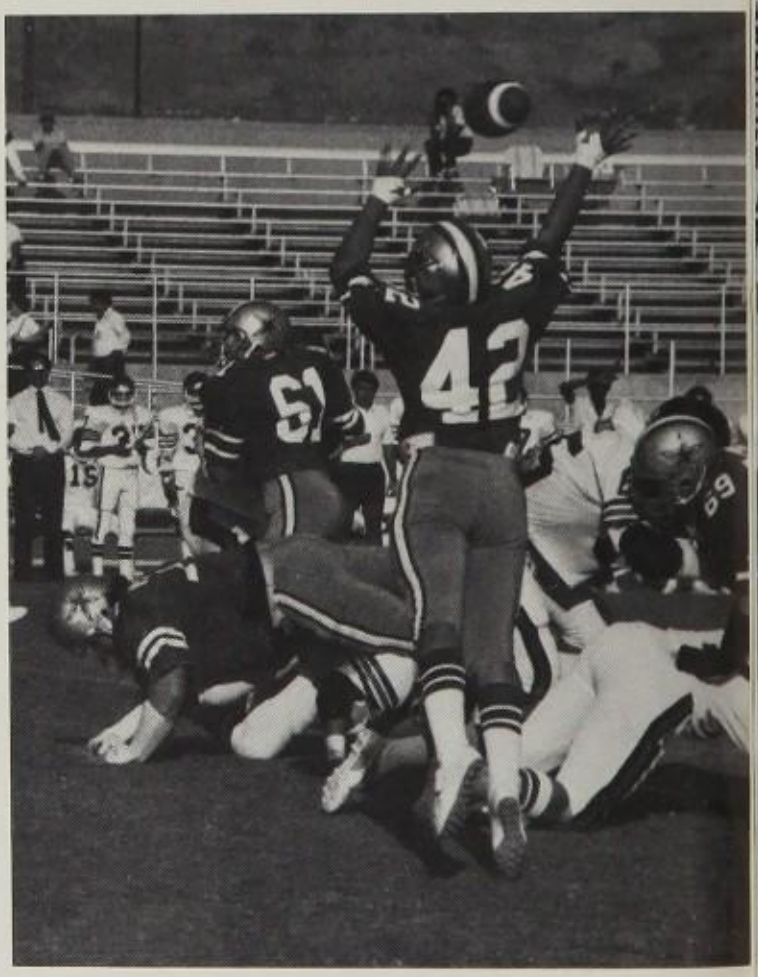
SPORTS



To win the **1982 M.H.A.L. Championship** was the goal of the Varsity Football Team. That goal was accomplished by the 76ers with a *perfect* 9-0 league record.

This year's team was the *first* ever to accomplish such a record, but it was no easy task, as the team was challenged time and time again to show their *mental toughness* and *dedication* to overcome adversity. When the dust had settled, three games ahead of the league's second place team.

Though the season began slowly (Independence lost 8 to 14 to North Salinas), the Sixers soon picked up speed as they handled stubborn Yerba Buena and Oak Grove. They then bowled over Overfelt 34-0 and James Lick 35-0.

The Sixers met and defeated Mt. Pleasant in what was to be the pivotal game in the M.H.A.L. race. Though Mt. Pleasant was out to defend its Championship title, the Sixers established themselves as the team to beat in the **M.H.A.L.** as the final score was 20-8. Indpendence went on to defeat Santa Teresa 20-8, Piedmont Hill 7-0, Silver Creek 21-14 and rounded out the season with a win over Andrew Hill.

As Champions of the M.H.A.L., Independence went on to the C.C.S. Playoffs. They lost, but so did fourteen other good teams.

There were many heroes of the 1982 season, but no member of the team should be overlooked, for each made a contribution to the Championship campaign. This was a team that reached the goal of many years Independence has worked for. This team has set the standards for future varsity football teams of Independence to follow. This season's stat people were *Lisa Brown, Cyndi Johnson, Patty Rosetto, Kim Sawyer,* and *Nancy Tucker.*

Hi Vienna ↑

This years been great. Im glad you were a part of it. your neat personality and great sense of humor brightened many of my days. I know you'll make a great mascot because youve got more spirit and enthusiasm than anyone I know. (You are "totally awesome") Have a great summer.

Hard-working, hard-hitting, championship Frosh-Soph Football teams are a tradition here at Independence. The 1982-83 edition of Frosh-Soph Football followed in that tradition. The Sixers finished with a 8 win-2 loss record overall, an d and 8-1 league record good for another **M.H.A.L.** crown. The reason for this year's success was the entire team's willingness to work. Through their literally hundreds of hours of practice, a bunch of young inexperienced men became a polished, disciplined, championship football team.

The Sixer offense, which scored an impressive 194 points on the year, was direcred by quarterbacks **Eric Cotton** and **Al Jackson.** Leading the ground attack were **Lonnie Jackson** and **Cedric Pumphrey.** Top receives included **Chris Rivas, Ryan Hollenbeck,** and **Kevin McGoff.** Controlling the trenches were linemen **Gary Baker, John Nicewonger, James Whitemyer, Larry "Bama" Kyzer,** and **Mike Karp.**

The Sixer "Doomsday" defense again lived up to its name by allowing a mere 73 points all yar and registering three shutouts. Anchoring the line were **Mike Porterfield, Larry Kwong, Aaron Barnett, James McEntee,** and **Hollenbeck.** Thrashing opposing running backs were linebackers **Alex Acosta, Danny Lopes, Kyzer,** and **Nicewonger.** Patrolling the airways were **Greg Mendoza, Mike Thayer, Lonnie Jackson,** and **Al Jackson.**

This year's team prehaps more than any other epitomized the meaning of the term, **"Sixer Football."** They proved that a group of young student athletes, no matter how young or lacking in experience, can, if they put their heart and soul into it, reach their goal. Their goal was to be Champions of the **M.H.A.L.,** and **Champions** they are!

David Gillespie

Hi Simmons,
We had a lot of fun this year, and I'm glad I got to know you and good this year. I wish you the best of luck in the future, and I hope you come see me play basketball next year at S.J.-C.C. I will be around school next year; and I will be at most of the basketball games.
Love always,
Dennis Gillespie "5"

198 BOYS VARSITY BASKETBALL

The 1982-83 **Boys Varsity Basketball** through league compiled a 24 win and 1 loss record. This record was the best of any team in Division I of CCS.

Accomplishments of this year's team included (1) winning The Independence/Fukushima Tournament for the third straight year; (2) winning the MHAL south division championship for the second straight year; and (3) winning the MHAL Championship for the second straight year.

Outstanding players on the team included Senior **Craig Ashmore** (all tournament in the Bellarmine Tournament, second team all league) Senior **Adrian Bryant** (all tournament in the Bellarmine Tournament, all tournament in the Independence/Fukushima Tournament, and first-team all league), Senior **David Gillespie** (all tournament in the Independence/Fukushima tournament and second team all league) and junior **Daniel Weiss** (all tournament in the Bellarmine tournament, all tournament in the Independence/Fukushima tournament first team all league, and Most Valuable Player in the MHAL).

Other members of the team that made major contributions to this winning team included seniors **Vince Calvetti, Eddie Visperas** and **Raymond Jew** and Junior **Doug Koshiyama.**

Great Season Sixers!

BOYS VARSITY BASKETBALL 199

Wonna, the year is over and we are seniors. The class of "89" awesome. Basketball of the class, football all awesome. I'll never be better - even be better next year will of your Junior I hope the memories year will live with you always. I thank you for all your support. It's been about the Fr. Prom. Hope you had a good

As with other Independence teams, the 1982-83 edition of the **Boys Frosh-Soph Basketball Team** played a *successful* season. Highlights of the team's season included their taking 2nd place in the Piedmont Hills Tournament (All-Tourney went to **Ted Cruz**) and their taking of 3rd place in the Del Mar Tournament (All-Tourney went to Ted Cruz and **Ray Villasista**). The team was Southern Division *Champs* of the M.H.A.L. with a record of 12-1, and became M.H.A.L. *Champs* with their win over North Division Champions Mt. Pleasant 54-46. The team's overall record was 20-4.

The Co-Most Valuable Players were Ray Villsista and Ted Cruz, the leading rebounder was fr. **Al Jackson,** and the second leading scorer was center **Ryan Hollenbeck.** The leading frosh guards were **Ernie Patterson** and **M. J. dela Cruz.**

Good cross country runners can be made. This year's boys team, although a very young team, developed themselves into an excellent team through **hard work** and a **love of running**.

Even with the loss of *Tom Legan,* one of the best runners in the C.C.S., the team pulled together and ran wieh every improving times. This continued improvement and desire to succeed undoubtedly be a factor in next year's championship. The 6 win-3 loss record for third place in the M.H.A.L. was a *great achievement* for such a young team. Top runners *Joe Rancadore, Mike Licalsi* and Anthony Smith were joined at season's end by *Paul Bragg,* bettering 13:00 minutes on the Alum Rock Course. The promise for next year is even greater with *Bill Dudley* and *Eric Gammell,* on the verge of also breaking the 13:00 minute barrier.

A successful team is much like a successful family unit. This year's girls team was successful because they had (1) competition (from within), (2) self-motivation, (3) team spirit, and (4) talented runners.

Individually, the team was led by the very talented *Sharlene Rogers* and *Kelly Catto;* the maturity and leadership of *Kathy Mastrini;* and the constant improvement of the entire team. Also, breaking 16:00 minutes on the demanding Alum Rock course were *Stacy Chretien, Pam Bragg, Rosemary Gomez, Denise Thompson,* and *Andrea Sanchez.*

Congratulations M.H.A.L. undefeated duel meet champions — 9 wins-no losses.

Good luck

The **Girls Tennis team** for 1982-83 demonstrated an exceptionally well-played season. Their record stood at 10 wins-3 losses, placing them third in the **M.H.A.L.** one of the shining highlights of the season was their victory over Santa Teresa. In putting forth *hard work* and *determination* the girls outdid their expectations; their rewards were well-deserved. Individually, the team captain **was Mary Beth Ledesma,** and congratulations are in order for **Cheryl Jue** for her attaining the title of #1 singles and her placement of second in the league. Sadly, though, the team this year has had to say *farewell* to seven seniors.

The 1983 Boys Tennis Team kept in line with its eminent tradition in posting another *impressive* season. This year's team consisted not only of talented players, but of young men dedicated to hard work and excellence in their intense pursuit of ultimate *victory.* The position of number one singles was placed on the broad shoulders of foreign exchange student **Tim Grunner,** who played admirably. Other "stars" of the team who performed brilliantly were **Tien Nguyen, Ben Jue, Paul Chung,** and the team's "tower of strength," **Arnold Argau.** The "class of the league" at first doubles was unconquerable duo of **Ray Mendoza** and **Andy Jue.** Rounding out the squad at number two doubles were **Jose Perez** and **Kirk Kumagai,** who both performed expertly. The 1983 tennis team was a young group of players and with a strong group of underclassmen on the "taxi squad," the team will continue to be a *force* with which opponents will have to reckon.

Congratulations and highest accolades to the pride of Independence and the class of the league. Players not pictured: **Arnold Argao, Bob Miyahara.**

We have been part of history this year! It is the end of March and we have only played ***one*** league game! When our season finally starts to dry out we will be challenging the M.H.A.L. leaders with an inexperienced varsity team. First year Varsity players expected to perform well are ***Allen Smith, Ray Arranaga, John Bracken, Ken Brown*** and ***Gil Hoge.*** Returners ***Joe Soltis, Brent Hoge, Carl Oliver, Joe Nicewonger*** and ***Donnie Jasso*** can be counted on to bring Sixer baseball back to **championship** form.

This year's softball team was a young one — half the girls were freshmen and sophomores. The leadership this year was provided by team captains *Carrie Ladd* and *Sandie Sanchez* along with returning block earners *Yvette Tiffer, Melanie Argao, Robin Koreski* and *Janet Krygier.*

By press time the Sixers had played only *3* games (the other 7 had been rained out). However, even with just 3 outings, all of which were won by the Sixers by a combined score of 42-15, the team's potential was starting to show.

Our **Varsity Track Team** has *won the C.C.S.* **two** *years in a row*, and are picked to win it again this year.

The greatest track athlete in our school's history is *Erick Montgomery*. Erick set the C.C.S., 300LH record (36.22) last year, and is considered a threat to break the national record this year. Also, Erick is one of three hurdlers in the State favored to win the state title.

At this time our overall team looks *very good* for the season of 1983.

This year's Independence Varsity Swim Team is vast in quantity and quality. The Sixer girls squad is led by Sophomores **Jean Badding** and **Diana Garzon.** The addition of many fine freshmen, including Krista Berkland has helped the Sixers become one of the teams to beat in the MHAL. Returning from last year's diving team are Seniors **Jaenelle Leffler, Machelle Sembera** and **Jennifer Jones.** These three girls combine to make the IHS Diving Team the best in the MHAL.

It should be noted that this is the first time the boys and girls swim teams have been combined and it has shown to be *successful.* A final note: Top swimmers from both teams have won the right to compete in the Mission Viejo National Invitationals in Southern **California in April. Good luck SIXERS!**

As the season began, the 1982-83 Boys Soccer team experienced some difficulties in deciding who should make up the nucleus of the team. But, thanks to Coaches Mar and Ostermann, we were able to put together a team that surprised many people, except the coaching staff. The turning point of the season began during the Christmas vacation when the team took second place in the Overfelt Soccer Tournament. Though there were some upsets during league play, but these losses were soon forgotten as the team upset every C.C.S. ranked team they played, and as a result, reached the quarter-finals.

The defense of the team was just superb, as it shut out seven opponents in a row. Members of that part of the team were **Adrian Diaz,** goalie; **Flynn Carson,** sweeper back; **Ralph Gutierrez,** center back; and **Tim Gruner** and **Dean Harding,** outside fullbacks. The play-making ability of the halfbacks made the team a very difficult one to stop. The players of that group included **Chad Carson, Alez Meraz, Dennis Leal,** and **Erick Salas.** The offense was one of the most feared in the league, for with great talent and speed, the team was able to smash all opposition. Those who demonstrated these characteristics were **Steve Robinson, Dave LaRoche, James Davis,** and **Joe Nicewonger.**

The following players were M.H.A.L. All-League selections. First team — Adrian Diaz, Flynn Carson, Tim Gruner, and Dean Harding. Second team — Chad Carson, Ralph Gutierrez, and James Davis. Honorable mention — Steve Robinson and Dave LaRoche.

The Sixer's *extremely successful* season ended in the C.C.S. **semi-final game,** as they questionably lost to Santa Teresa, 2-1.

Being a teacher is not an easy task, however **Mr. Robert Jordan,** serves above his regular teacherly duties by serving the student body in a number of ways. This extra help can be in the form of after school study sessions or by being a friend to students. Mr. Jordan has the special qualities which enable him to understand his students and give them guidance and support. His sense of humor helps to make classroom time more enjoyable, and his overall character makes him a person to admire and emulate.

From student teacher in Mountain View, to full time teacher at Independence, **Ms. Debra Watkins** has traveled a long way to be chosen in the "Teacher Most" list.

Besides being an English teacher, she is also the advisor and creator of **"Sunrays,"** the multicultural club on campus, running now for its second year. Her reason for creating Sunrays is simply, "To bring students together in a multicultural understanding."

"Preparing students for college and having them return to tell me how much I have helped," is what Ms. Watkins says she has accomplished in her six years as a teacher. As for the future, she is interested in starting a multicultural program at the District level.

The **Lambros** have been with Independence since it opened. Mr. Lambro teaches **American Government** and **U.S. History** and is an advisor for **NHS** while Mrs. Lambro teaches all levels of **English.**

They are both well read on their subjects. The average evening of entertainment in the Lambro home consists of Mr. Lambro reading up on the history of some new ways to amend the Constitution and Mrs. Lambro deciding which 500 page novel to read next.

The students that have one or both of the Lambros are familar with the **"Finigan the Cat"** stories and their college teaching techniques. Mr. Lambro is characterized by most as the teacher with the **pithy** remarks. Mrs. Lambro manages to brighten the classroom atmosphere with her **wittiness** and **understanding.**

Achievement — Leadership — Service. These are the words I think of when I look back over this school year. Student interest and activity in the academic area was seen by the *improved* test scores and more students involved in higher academic pursuits. Reports of the *successes* of our graduates in the field of higher education also emphasized gains in this area. Our athletic teams also made this the best year to date in *achieving* their goals. Leadership from students and staff have been seen in many ways, from work on the School Side Council, the **Liberty,** and this **Yearbook** to improved rallies, assemblies and other activities. The increase in **Jack Emery** collections and the spread of this noble activity to senior citizens groups is an example of service of the school, to mention only one item. You can be *proud* of your year and should feel it was *productive* as well as *fun* to be involved in. May your future years be as rewarding.

To the students of **Independence High School:**

Is it traditional that we say each year is better than those which preceded it? It seems so, and yet I am sure that is exactly how we feel. As we grow and *progress* through life, each year does indeed get better than before. What we learn and how we use our *abilities* is the measure of our *success* and *happiness.* There is no doubt that 1982/83 will be remembered as a year better than all the rest thus far. **Congratulations** to each of you for the part you played in this *success,* and may your lives continue to grow with *knowledge* and *happiness.*

Assistant to the Principal

The **"H"** building may be recognized by a number of assets besides serving as the main office for visitors. Behind the orange doors, could be considered the *heart* of INDEPENDENCE.

The offices of Guy Klitgaard, principal, and Mel Goertz, assistant to principal, are located in the "H" building. Among them arrive new students registering, requesting transcripts or finding the health needs for the school.

Is it possible to improve **Independence High School** when *excellence* is written all over the faces of its students and staff members? Is it possible to create more activities for student services when I.H.S. is already overflowing with *clubs, athletic programs,* and *organizations?* Maybe not, but its for these reasons that the **School Improvement Program** came to existence.

A group composed of dedicated teachers, parents, and students meet twice a month to discuss the growing needs of I.H.S. Problems are looked upon with great concern and are not put aside until answers are found. New ideas are brought forth and are considered and debated on. With the guidance of **Susan Omsberg,** S.I.P. coordinator, the school site council is determined to bring the best out of I.H.S. Their goal is to make Independence High School shine with excellence, and they won't stop at anything until they obtain that goal.

Independence Hall (I.H.) has many *important responsibilities* on our campus. *Justice* must be *maintained* on our campus, and CO6 is first to recognize this necessity. The main duties that are enforced at I.H. are recording student attendance, maintaining discipline, and providing security for campus hours.

Mr. Morales is the advisor for I.H.; co-advisors for each villa are **Mr. Cabral** (H.H.), **Mr. Olmos** (E.P.U.), and **Mr. Renteria** (L.M.). Liasons for CO6 are **Mr. Mosley** and **Mr. Castro**.

The *pride* that I.H.S. so often exhibits is due, in part, to the fine efforts of those who work each day in I.H. to control the negative aspects of campus life. Hopefully, with student cooperation, future years at I.H.S. will exemplify the efforts of Independence Hall.

Dear Graduates:

For all your efforts and your accomplishments, let me offer my most sincere congratulations! Your education is an asset, not only to you, but also to your community, nation, and world. You owe it to yourself, and to all of society, to conserve and extend your resources of knowledge for, as mankind is now learning, knowledge is an inexhaustible resource. As Alfred North Whitehead said, *"Today we maintain ourselves. Tomorrow, science will have moved forward yet one more step, and there will be no appeal from the judgement which will then be pronounced on the un-educated."*

Independence High School has played a major role in your life the past four years. As you move into the new explorations of the world and yourself, testing the knowledge you have gained and the theories you have formulated, you may continue to benefit from the intellectual interactions you have established with your high school teachers. Today you have completed one phase of your education, but you will find that learning is a life-long activity that the future offers various opportunities to broaden your present knowledge. Many of you will return as students in either a community college or a university. Some of you may find a wide variety of alternatives in life, all hopefully toward your own happiness and success. For whatever path you may choose, may I offer and dedicate this poem to you all . . .

"Keep Going"

There's no skill in easy sailing
When the skies are clear and blue.
There's no joy in merely doing
Things that anyone can do.
But there is great satisfaction,
That is mighty sweet to take
When you reach a destination
That you said you couldn't make.

Good luck and *pleasant sailing!*

Please do not read this until the year **2008** (twenty-five years from today). Twenty-five years ago this yearbook was published. It's now the year **2008** and some of you are getting ready to attend your Twenty-Fifth year Reunion. *During* your high school days of **1982-83** my basic philosophy of life and education was based upon a totally positive viewpoint. I sincerely hope that your viewpoint today is the same. Twenty-five years ago I perceived each and everyone of you as you could be, not as you were. My personal pride in relation to you was *bountiful*. Without a doubt, I knew that you would be the *success* you are today, the year **2008.**

My Pursuit of Excellence for Maximum Student Achievement was always paramount. The abilities of Harvard House educators, parents, students and the business community to "orchestrate" resources was crucial, particularly in light of the declining financing we faced in the persuit to provide you with a quality education.

Have fun in life, speak to people, smile, be cordial, be generous with praise, considerate with the feelings of others. Be **honest** and maintain a good sense of **humor.** *Please* continue to **work** hard and **contribute** to society in a positive manner.

The **Math and Science** departments are another example of IHS's production of quality. There is strength in numbers. The math department is *proof* of this. . With its varied range of classes and computer instruction IHS's math department has proven to be nothing short of *excellent.* The science department is enhanced by the on campus **Planetarium** and **Museum.**

The **Physical Education** departments of **I.H.S.** are **model** programs. P.E. is the number one elective throughout the country. I.H.S. offers a diverse number of activities such as **Aerobic Dance, Night volleyball, Fencing, Jazz Dance, Swimming, Table Tennis, Morning Racquetball** and **Weight Training** just to name a few.

Most of the activities offered at I.H.S. are *coed*. An excellent *staff, student body*, and wide variety of classes to choose from make **Physical Education** here at I.H.S. one of the **best.**

The **Visual and Performing Arts** department at IHS is the biggest and *best* in the entire **East Side Union High School District.** Approximately one-fourth of the students at Independence are involved in this program. VPA includes *dance, band, art,* and *theatre* and has been known for its excellent plays, intriguing dance concerts, outstanding field shows, creative art displays, and entertaining musical productions.

VPA also has an organization called the Magnet Program. This program allows students from other schools to come and participate in IHS's *magnificent* VPA departnment. The VPA, in its second year, has proven to be a valuable part of the Independence campus.

The 1982-83 school year marks the third year of the Hearing Impaired Program's existence at **Independence High School.** This County sponsored program is designed to meet the educational needs of hearing impaired students throughout Santa Clara County.

The program's *philosophy* is one of *Total Communication.* This means that *all* modes of communication are utilized in instructing our hearing impaired students. The staff of the Hearing Impaired Department consists of 13 people. There are four teachers, seven interpreters and aides, one speech language therapist and a half-time counselor.

The program is located in Harvard House. Classrooms D-14, D-16, D-18 and D-20 are used for the hearing impaired. The department office is located in D-01.

All of the hearing impaired students attend some regular classes with the assistance of one of the program's interpreters.

The Foreign Language Department is the **finest** in the United States. The reason for such a fine foreign language department is the *outstanding* students and teachers that complement each other tremendously.

A lot of thanks to the devoted teachers and the *enthusiastic* students that make this department the best!

The languages that are taught are: **Spanish, Italian, French** and **German.** The courses include speaking, writing, reading and learning the customs of different countries. With 33% of the students at I.H.S. taking a foreign language, it shows the *involvement* and *pride* that students have to make Independence the best!

I.H.S. offers many non-English and limited English speaking students a chance to learn, in the areas of **English** and **Math,** that they are having problems with the in-coming freshmen meet with *friendly, devoted* staff members who try to help in any way possible. Modern conveniences, such as **computers,** have also been added to the **math** and **reading** laboratories to be of further aid to the students. With such *unique* programs being added, it's easy to see why **Independence** is made up of students from so many *different* ethnical backgrounds.

One of the *greatest* assets bestowed upon our campus is the **Planetarium.** The Planetarium is directed by **Mrs. Edna Devore** and a band of *talented* students. They operate various programs ranging from multi-media presentations such as **"Anne Frank"** to astronomy programs like **"Cosmos."** An added attraction to the planetarium facility is a mural of the universe on a wall in the lobby. This was the sole accomplishment of Marc Tognaccini.

Behind every **teacher,** or most teachers, there are **assistants.** These assistants *record work, grade papers, and assist* the teachers in any way they can. Aides are a boost to the teachers in many different areas.

Many never see the people who are *responsible* for making the lunches and keeping the campus clean. Those who work everyday to help uphold Independence's image. These custodians and cooks deserve as many thanks as anyone else, if not more. We, at IHS, should be proud to have such a *dedicated* group of people who care so much about our campus and diet.

The American staff would like to take this opportunity to show our love and thanks to our yearbook advisor, Mr. Paul Ender.

Mr. Ender is more than just a teacher — he is a friend. He has always been there for us and anyone else who needed him. We will never forget what he has shown and taught us. He has treated us not only as students but as unique individuals. Without him this yearbook (and past yearbooks) would not have been possible.

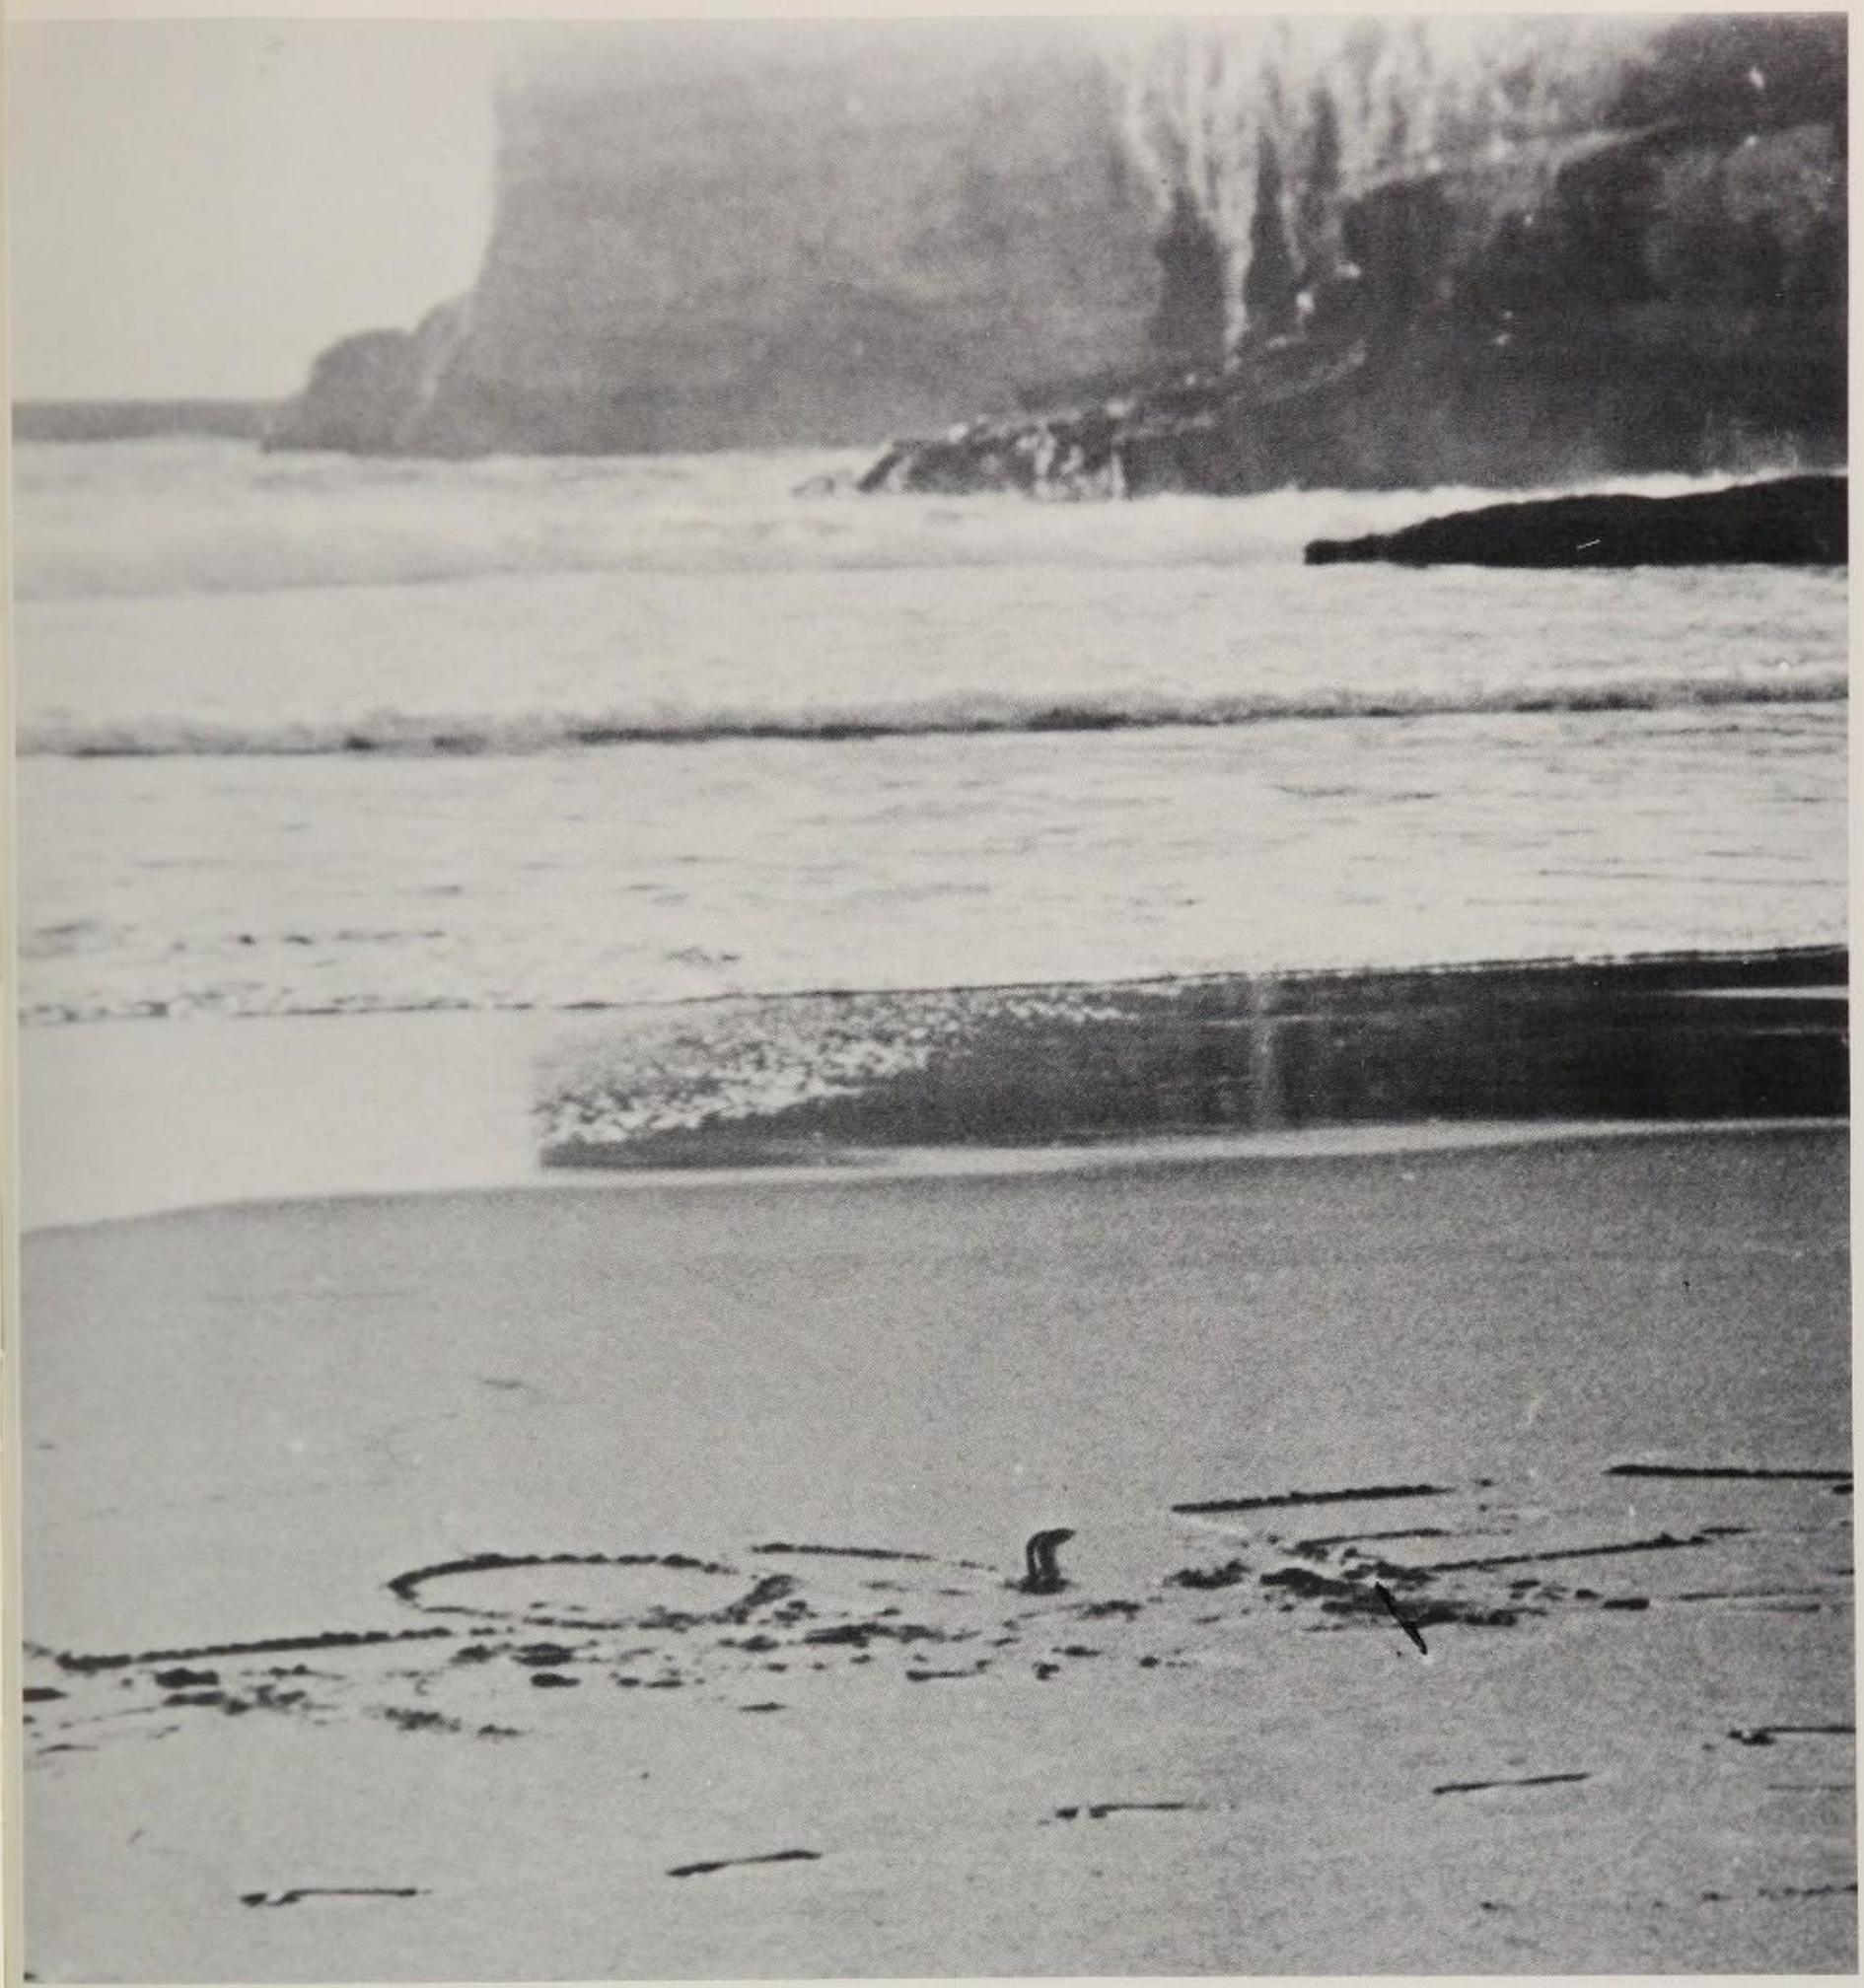
Mr. Ender has sacrificed a lot of time with his wife and two daughters to stay after school (and sometimes weekends) to guide the staff in producing the yearbook.

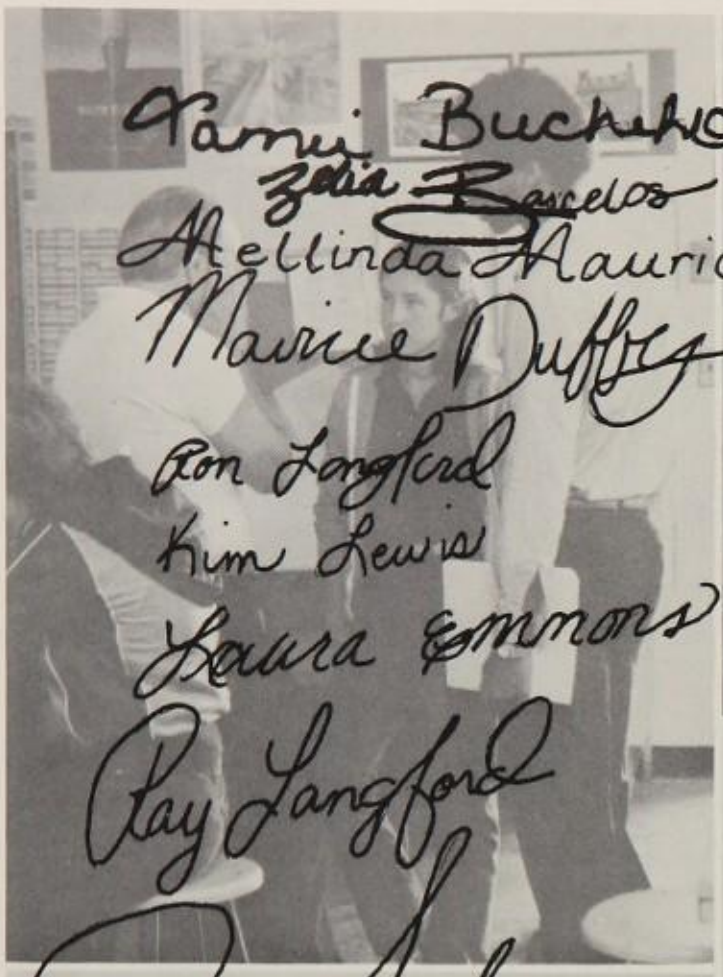
DEADLINES! DEADLINES!! Like Mr. Ender always says — "... you'll never know what a deadline is unless you experience it!" Well, The American staff can't argue with that! This year we had to struggle through many obstacles to meet our deadlines. Thanks, Mr. Ender, for not giving up on us!!! Your never-ending patience and understanding can't be matched ...

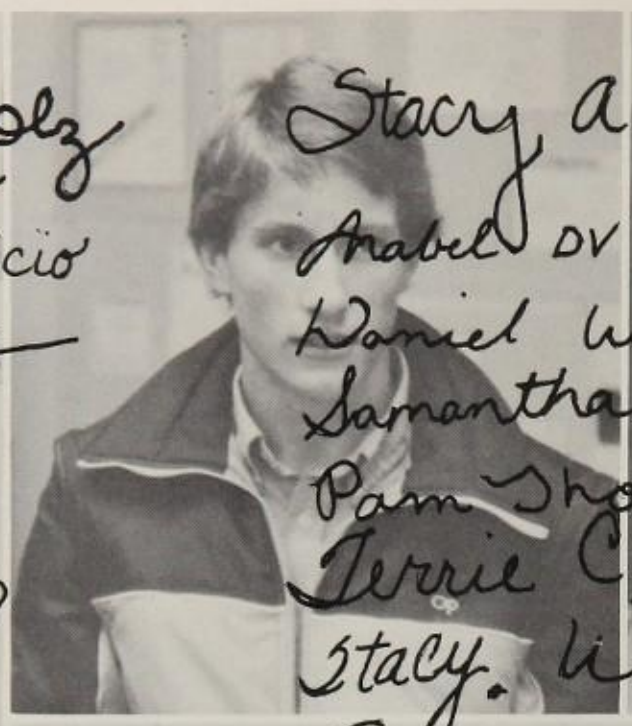
We love you ... and all your pink and turquoise Izods! We'll never forget all the aggravations, frustrations, french fries, laughs, double whoppers, etc. of this past year. Thank you — you're "the BEST advisor a yearbook staff could have" ...

With Love,
American Staff '83

SPECIAL THANKS







The Editorial Staff of the 1982-1983 *Independence High School Yearbook Staff* would like to thank everyone involved with the publication of this yearbook.

This year has been a challenging one for us. We have dealt with difficult circumstances that had temporarily hindered our progress, but we are happy to say that we have overcome our difficulties and have produced something of which we are proud.

We would like to thank **Mrs. Helen Williams** and the Liberty Newspaper Staff for all their help with the copy work in the yearbook.

Also, a special thank you goes to our advisor **Mr. Paul Ender,** for his hard work and dedication.

Last, but not least, we would like to give our gratitude to the Yearbook Staff itself. We, Editors, feel that the staff has done a truly s cessful job of putting together this yearbo Thank you for your help and cooperation du those *rough* deadlines.

The best of luck to next year's staff.

— Tami, Sung, Mabel, St Maurice, Rob, Mellinda

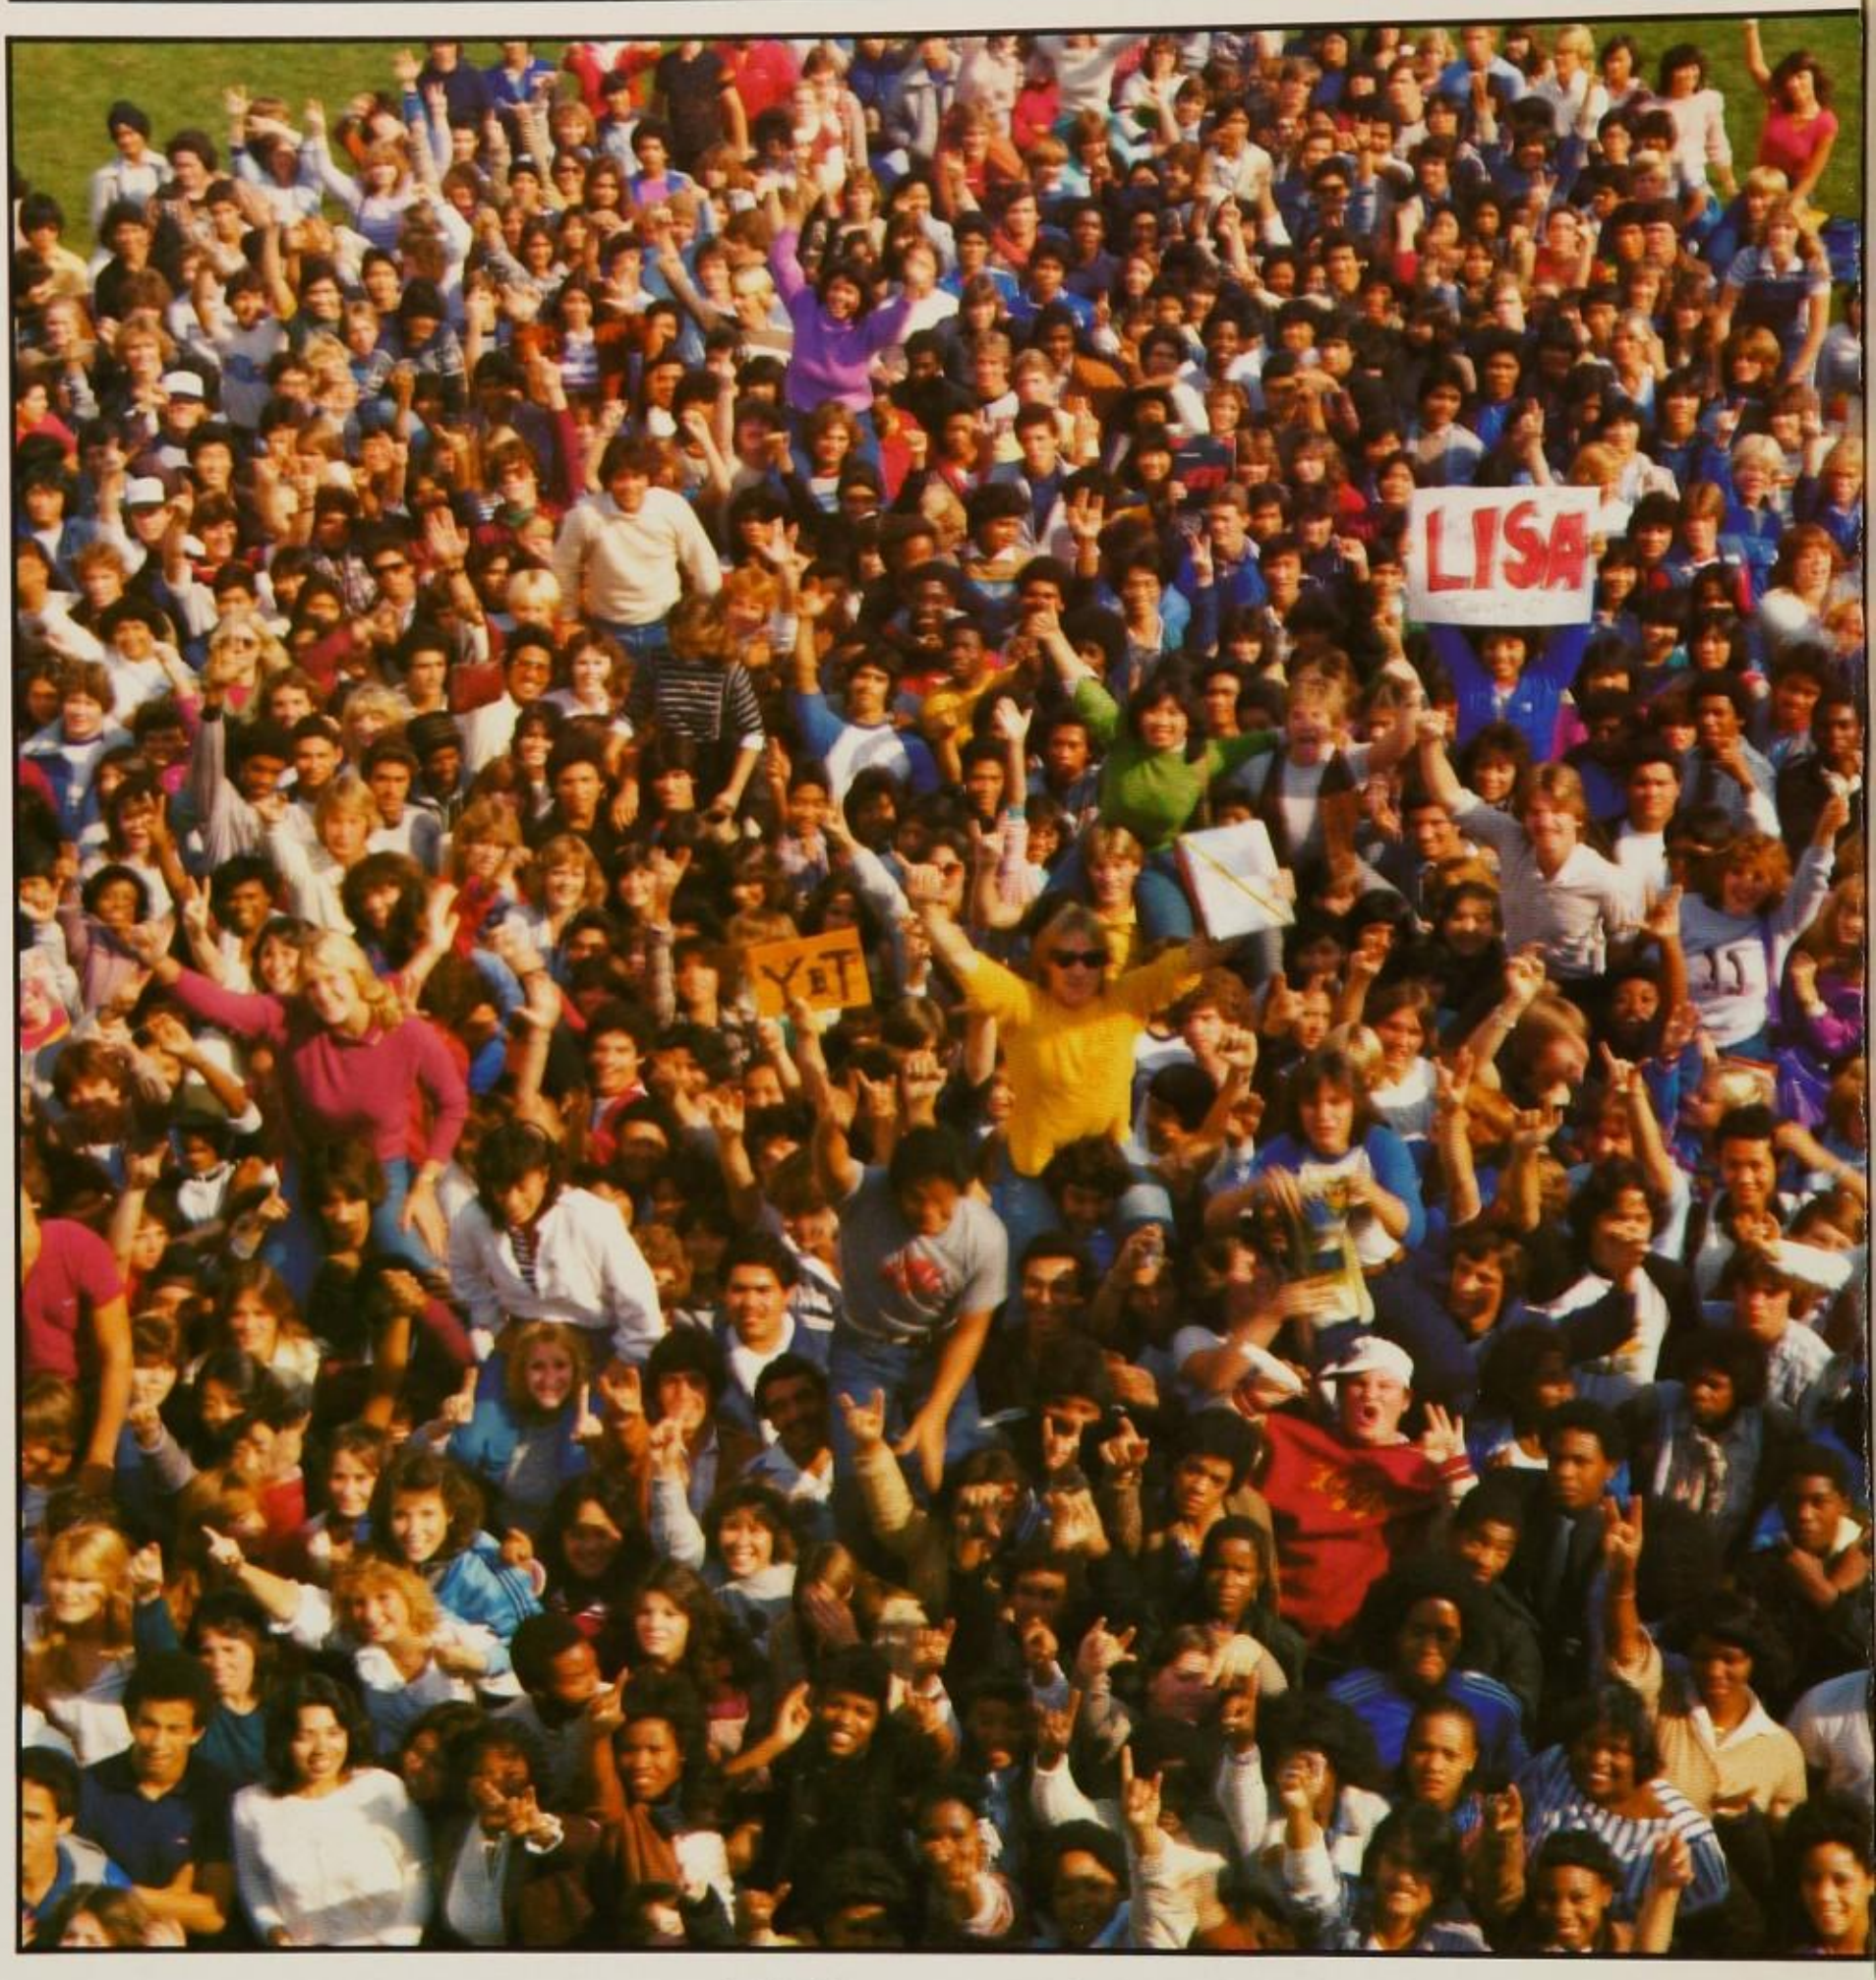
Goals are set, promises made, and each year brings forth new **endeavors.**

Hi Vienna!
How's it going?
Are we going to be
Radical Seniors next year
Yeah!! I'm glad I got
to meet your cousin!
such a good friend
I wished I could
be on the Spirit
Squad but that's
life.



With our *achievements* we go forward, better than before because of them, and **Reaching for the Best** as we go on . . .

MASCOTS #1

Hi! I so glad I got to know you this year! You are one of the sweetest, nicest friends I have. How can we ever forget those fun days on the bus. ON THE BUS, Oh mi god! I signing your year book on the bus. In 20 years, don't look back on this autograph and think that I really right (write) like this, because I don't. I actually write like this; Kelly Costello! HA! HA! And ~~on~~ that was at a stop light. Well Vienna, don't lose touch over ~~then~~ the summer, we only live 2 blocks away. Thanks for being a friend! See ya soon!!, oh, I'm really sorry about what happened with your horse. Good LUCK in the future!

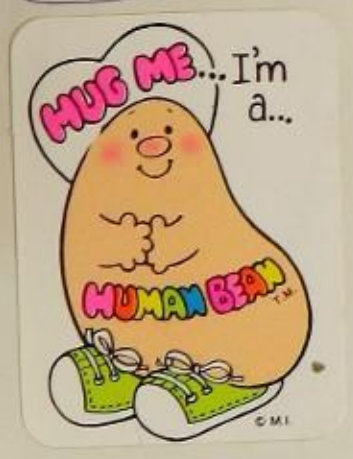
3rd grade writing, huh?

P.S. Lets try(Not sign books on the bus again, okay? good. HAVE A Bitchen SUMMer!!



Vienna,

A very sweet, cute, crazy friend that I'm glad I met this year. Your a great friend and I'm glad that were friends and we'll be for a long time! Huh? Right? Better! Next year will be great because were gonna be seniors! yea! class of 84 will rule the campus! And your gonna be a mascot and it'll be fun seeing you out there at those games! well stay sweet and have a great summer! Stay cool over this hot summer and maybe I'll see you! Till next year, take care!

P.S. Sorry so sloppy

Love,
Lucy Krzyzma

To Dearest Venna

I don't know what to say. The only thing I feel bad about is that why I didn't know from a long time. Anyhow I just pray for you that you be success in life. I like to see you in morning, my day passed very nice. You have a very pretty smile. I hope we would friends in future. It's bad that I use to see you smiling all the time. When ever we could see each other. My doors of my house would be open to you anytime.

I won't see you any more because I am a senior, but any how I wish

with Tons of Love

Dear Vienna,

So a very nice, sweet, girl, I'm glad I met you because I really think you are a really super nice perso

Betcha didn't think I knew Vinee. What was it about his middle name that no one was supposed to know it? Oh well! You're a great person and I hope to see you next year - over the summer - or wherever! Enjoy yourself and may those who've been plagued by lunacy invade your household once a week.

I hope next year we get same classes together so we could get to know each other better. But even if we don't I know we'll get to know each other

Have a great summ

Love, Jo Ramcad

VIENNA,
WELL YOU DID IT, YOU MADE IT THROUGH YOUR JUNIOR YEAR. CONGRATULATIONS. I THINK YOU'LL DO FINE IN SCHOOL. GOOD LUCK

VIENNA, IT'S BEEN GREAT KNOWING YOU, I HOPE YOU HAD A YEAR. YOU'RE REALLY SWEET AND I'LL SEE YOU AROUND SCHOOL. O.K. HAD FUN AT THE ... I EVEN GOT DRUNK. WOW!

Paula,
Well hey haws it going? I'm really glad we met in typing. it's been fun. Call ME this summer so maybe we can go out or to the Beach. I want to thank you for putting up with all my talks & complaints about Gilbert, in class. Wish me luck on getting back with him. I hope you & Mike have a killer summer. I want to meet this guy Paula. Congradulations on everything you won in High school and graduating. I hope that your future is everything you want it to be O.K. Stay out of trouble I know you will. But you never Know right? Well may all your dreams come true for you. And may God always bless you. I want you to come to my grad. So you can see I can do it too. But I'll Be graduating with a scholorship & A's haha. Be good.

LOVE Ya,
